A Message from our Club's President:

Hello Model T family. I Hope everyone is enjoying this summer so far. I look forward to seeing many Model T's at our summer picnic at Lee and Candy Burgess's house Aug 2nd. 1109 N Felts Rd. We had a great time at the 4th of July rotational tour (Cherries to Prairies) and another successful swap meet. Many thanks to Mark and Janice Hutchinson and Ralph Brevik for overseeing these two events. A huge shoutout to all the members that assisted on these events also!

We have August and September tours planned and they are shaping up to be tours you won't want to miss. By this printing we will have already had at least one National Tour meeting. If you missed it and want to be involved please get ahold of me or any other T club officer. We need a group effort on this one to put on a Tour that MTFCA members will be comparing all future tours to for years to come! Thanks for being part of THE best Model t club. – Matt Hansen

Cherries to Prairies Tour - July 4-6

We had three event-full days on this year's 4th of July Rotational Tour for antique and classic cars. Nan Robison started us off with lunch in the Hospitality Room at the Mirabeau, then moved on the Model T Driving School. About 20-25 people either got a ride or a driving lesson in a Model T, and we couldn't have done it without those of you who volunteered your T's and time. Thank you! Then we headed to Sullivan Park, where the David's Pizza Fire Truck was waiting to bake us a delicious variety of pizza for dinner, with make-your-own ice cream sundaes for dessert.

On Friday, Matt & Maggie Hansen had a full day planned, starting with a morning break at Cherryshack Orchard where we had amazing home-made strawberry shortcake. We then took back roads to Newport (some of us took more back roads, and some fewer, but we all got there), and visited the Pend Oreille Historical Museum. If you haven't been, they have an incredible collection spread through

many buildings on the site, covering a variety of interests. We then continued on to the Albeni Falls Dam Visitors Center, where we lunched on fried chicken and enjoyed the shade near the Pend Oreille River.

On Saturday, Steve & Julie Heid took us on a tour of the Rathdrum Prairie, with a morning stop at Majestic Park in Rathdrum and goodies provided by Nan. We then drove through the countryside to Spirit Lake, where we had box lunches from Smacky's on Broadway in the City Park—and were also treated to an impromptu concert by Tom and Carla Carnegie. Then it was back to the Mirabeau for their wonderful Northwest Buffet at our banquet. We still don't know how that motorcycle got up in that tree.

Thank you to everyone who helped make the Cherries to Prairies Tour a success!

HASSIE CLUB "ALL ORIGINAL CAR SHOW"

Don't miss the Hassie Club's 11th Annual "All Original Car Show" to be held on Saturday, Sept. 7th. from 10AM to 4 PM in Mirabeau Meadows Park. See the flyer on the T Club web page and T Club Facebook page for details and registration form.

The Hassie Club has graciously named the Spokane T Club as a guest car club and has **waived all registration fees**, so they are hoping for a record number of Model T entries. They typically have over 100 cars at this show and it appears that there will be 25 to 30 Model T's present, **you still need to fill out the registration form and turn in by August 1st** to join us for the fun.

INTERSTATE FAIR MODEL T SHOW

For those T club members who are participating in this year's Interstate Fair exhibit on Sept. 14th, here is the pertinent information you need to know:

Participants need to let Rose Hodges know Names and car BEFORE August 1st!

2019 Fair and Exhibit Theme:

The fair's theme this year is "Pirates of the Carrots and Beans" that can be followed if you wish to freely participate in the competitive exhibit display. There are cash awards for the best three car exhibits as judged by an independent fair judging committee.

If you want to add period clothing or other props to your individual display or have items that would go well in the overall club exhibit, please bring them along. Any teens and 20's era farm or Model T tools for display next to your car would be great!

Set-up Time:

The entrance area is the same as last year. Please plan on arriving at the south parking lot behind the ballpark at **7am** on Saturday morning, Sept. 14th and we'll pre-stage for our car positions, entering the fairgrounds together. All cars must be in place by 9am. We'll should have about 30 Ford's on display.

Ticket Packets & Name Plackards:

The participating car owners will receive a packet for entrance tickets, rides, and food for use at the fairgrounds. They will be available from Rose Hodges at the monthly September T Club meeting on Friday night, Sept. 6th and on Saturday morning, Sept. 14th at 8:00AM at the fairgrounds south parking lot. If you can't get them at either of those times, or to establish an alternative pick up time - **contact Rose Hodges** or if you have any additional questions (cell 509-869-0784). We only have a ½ hr. window for fairgrounds entry so please be prompt. All cars must remain on the fairgrounds until 6pm. Please notify Jim Patterson if you need a car name plackard made up.

Recap: 2019 T Club Booth at the Swap Meet

Another Spokane swap meet has come and gone (the 49th, I believe) and the weather was un-ordinarily mild with mostly sunny and warm conditions through the weekend. The swap meet attendance and number of vendors appeared to be quite a bit smaller this year, but it looked like participants were doing reasonably well. The T Club's booth was well laid out and attracted a lot of attention and question. Thanks to Rose and Charlie Hodges, Jeff and Parker Hipp, Bill Bar, and several other club members for their help with booth and gate security.

Word has it that next year's swap meet will be the V-8 Club's **50th year** of putting this swap meet on. It's been a good run and we all have enjoyed it immensely and look forward to next year already!

The general conversations this year were more business focused and possibly a little more sedate, especially knowing that several of our fellow antique car friends have passed on through out he year. The positive take on this year is that 6 to 8 Model T's have been sold in local markets at good prices in the past few weeks!

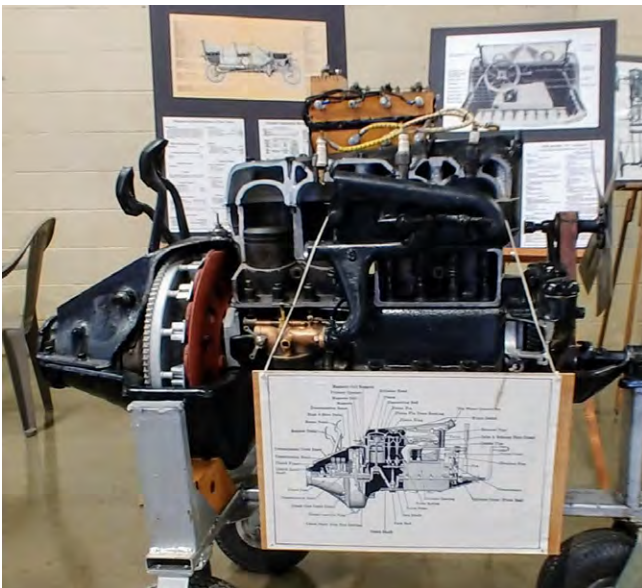

Our club is growing with younger people stepping up to fill needed positions, and there is going to be a national tour next summer.

Again, we thank all the swap meet workers from the various car clubs for their help and efforts in putting on a good swap meet.

Model T's bought and sold in Spokane recently include:

- Richard and Wanda Hummer purchased Linda Jurgeson's '26 T Roadster.
- Brooks and Pat Johnson purchased Linda Jurgeson's '27 T Tudor.
- Cory and Alicia Komic purchased a '15 Touring from Idaho.
- Dave Braun's '13 Touring is going to a museum in Columbus, Montana.
- David and Lisa Kite purchased two T's; a '17 Touring and a '23 Roadster from a Spokane Valley resident.
- And, the Amadillo-body speedster (formerly owned by Bob & Joyce Brandvold) resurfaced at the swap meet car show with it's new owner.
