A Message from your Club President:

Well here we go. The February meeting will hopefully be a zoom meeting. Watch your e-mails for the log in info. If you don't have a computer or internet access you can always call me to discuss ideas.

Several things to discuss will be about dues and the upcoming National T Tour. I don't have a whole lot to say this month since there is really nothing new going on so everyone stay safe.

Prez
Steve

Meeting Minutes • Seen, Heard & Shared

Club Meeting Minutes of January 2021

➔ Due to COVID-19 safety guideline updates, no banquet or meeting was held in January - therefore, no meeting minutes.

Congrats to John Clarizio - Washington State Hot Rod Hall of Fame

Photos submitted by John Clarizio

John Clarizio (left) accepting one of the Washington State Hot Rod Hall of Fame inductions for 2020. The award ceremony was cancelled because of the pandemic so he will be recognized in September 2021. John and Lorri Clarizio are long-time members of the MTFCA and the Spokane Model T Club (*currently without a T*).

We will attempt to hold our Feb. 5 meeting via Zoom - Get set up & ready to join:

Look for an email soon with the specific link and details on how to join in with the app or how to call in without video.

Don't know what zoom is? Download the app here: <https://zoom.us/support/download>

• Further instructions on how to join a zoom meeting can be found by clicking on the link here: <https://support.zoom.us/hc/en-us/articles/201362193> It will guide you through the various ways you can join a zoom meeting, including desktop vs mobile devices and apple vs android or windows.

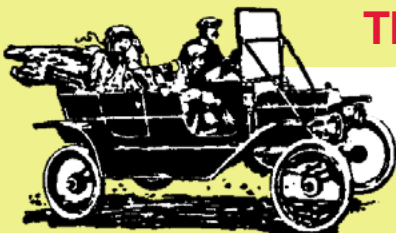

• Don't have a webcam or don't want to use a zoom app? You can also dial in to the meeting (*not recommended, the zoom app is the best way to go*) using the phone number options provided in the email notification from the club (coming soon).

• A youtube video is available to help walk you through the basic steps of joining a zoom meeting: <https://youtu.be/hlkCmbvAHQQ>

• There is also an official zoom test meeting that you can join at any time to test out your settings and familiarize yourself with using zoom [Click here to join the official zoom test meeting \(this is not the T meeting!\)](#). We strongly recommend trying this out to make sure everything is working properly

• For general help and info on how to use Zoom, the official Zoom FAQ can be found here: <https://support.zoom.us/hc/en-us/articles/206175806>

For more tour or event details: check the [club website](#), [club Facebook page](#), or watch your e-mail.

The next regular club meeting may be virtual thru Zoom.

See page 5 for more meeting details

Pre-meeting dinners at Darcy's have been cancelled since April 2020 (until further notice) per WA C-19 guidelines. T Club meeting venues may also change at the last minute - check your email.

Model T Show, Tell and Share

Model T Aftermarket Items and Accessories

I think it's fun to collect Model T related items - a legitimate part of the hobby. Below are just a few of the interesting items that I have picked up over the years. I hope you find them interesting too. — Jeff Hipp

Please [email](#) us photos of your favorite aftermarket T items and a brief description for sharing in future issues of this newsletter.

Right Top & Bottom: LAMP BULB TINS. These are some of my auto lamp tin collection. Used to hold replacement headlight and tail light bulbs. Coveted by collectors for the colorful graphics, and are always worth more if full of the correct brand of bulbs. Standard tins hold 4 bulbs (2 front, 2 rear).

Above: GRIFFIN NO.3 CARBURETOR. This is one of many aftermarket carburetors that were available to Model T owners who wanted to try and get better performance than what the stock carb might offer. I don't have much info on this one.

Club & Model T Related Events

Events Calendar

NOTE: These events are subject to change due to Corona Virus guidelines - marked what we've heard as canceled at the time of publication - please confirm before attending any events.

We have a tour planned!!!

With social distancing, face masks, meeting restrictions, etc. there has been a huge impact on our ability to conduct any tours or even have regular meetings. Hopefully we will be turning the corner and getting back to a more normal routine in the Future months. With that said... *there is a tour planned.*

July 9th-14th we will be touring in the MTFCA National Tour. Local members are welcome and encouraged to tour with us. We would ask that you contact Janice Hutchinson or Matt Hansen so we can add you to our list. We will have *a club member price* which will just cover our costs for food and incidentals.

We are the Host of this event and need our local members to offer up some hospitality! So far we have less than 10% of the Spokane club's participation.

We will be contacting each and every member to request any amount of help you can contribute. We currently have approx 75 cars registered and fully anticipate 100-125 with our locals pushing that number close to 150. Please let us know ASAP which days you would like to tour and if you would like to attend the banquet! The menu will be off the hook and door prizes and tour prizes awarded! The MTFCA will be conducting their Annual Meeting on the day prior to the Tour. This is a great opportunity to attend a meeting which is normally held much further away!

I am hoping we can count on each and every member for at least an hour or two of your help!

Thank You, Everyone!

➔ Tour information and registration forms are on the following two pages...

➔ MTFCA membership is *required* for attending the entire national tour.

➔ MTFCA membership is *strongly encouraged* to participate using the "Spokane Club Member pricing".

2021 National Tour
T's on Tour in the Inland Empire in Spokane!

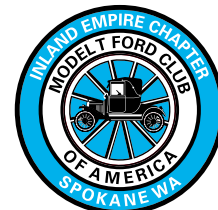

2021 TOUR OVERVIEW

MTFCA 2021 NATIONAL TOUR

T's on Tour in the Inland Empire

JULY 9-14, 2021 • SPOKANE, WA.

Hosted by the Inland Empire Chapter

➔➔➔ **REGISTER NOW!** ➔➔➔

Please join us in beautiful Eastern Washington! We will be touring to all points of the compass and the city center to give you a sample of the diverse landscapes found here. On most days there will be optional things to do, which you can choose from depending on your interests. Lunches will be provided when we are visiting rural areas. Complete tour information can also be found here: spokanemodeltclub.com/2021-national-tour

Tour Highlights In-Brief:

Thursday, July 8: Early Registration will be open from 3 p.m. to 7 p.m. You may pick up your tour packets and have the whole day on Friday to explore places we will not be able to get to on our tour days. We will have some great suggestions for you!

Friday, July 9: Our Registration Desk will open at 10 a.m. for you to pick up your packets. The rest of the day you may explore on your own: visit our Hospitality Room, take advantage of the many amenities that Northern Quest has to offer, or find information about other sites to visit at the Registration Desk. Don't miss the Ice Cream Social Friday evening—it will be a special treat! **And then our tour days begin...**

- We travel **North** to the orchards of Green Bluff. A look at the Green Bluff Growers Map will give you an idea of the many things to do during our visit. The more adventurous may wish to drive up to 6,000 foot Mount Spokane for a look at the view from the top, but the tour will follow beautiful country roads through evergreen forests at a lower altitude.
- We will head **East** and spend a day in Coeur d'Alene, Idaho on the shores of Lake Coeur d'Alene. Enjoy a dip in the lake, a walk along the boardwalk, shopping, and great food options. If you want to play the Coeur d'Alene Resort's golf course and test yourself against the famous Floating Green, you will have to set-up your own tee time.
- We'll work our way **South**, to the area known as the Palouse, where glacial lakes drained and left behind dune-like rolling hills that are the richest land in the U.S. for growing wheat, barley, chickpeas, and lentils. Most of the drive today will be on quiet country roads perfect for Model T's.
- It's to the **West**, where the land is more what one would expect of our high desert locale. The West Plains are the eastern edge of the channeled scablands scoured out by great floods during the last Ice Age, and we will be traveling through them to historic Fort Spokane, with lovely views of the Spokane River on our return trip.
- We make the short trip into **downtown** Spokane to follow the City Drive, a tour of some of Spokane's historic places. There are too many to stop and see them all, but we will give you enough information so that you can pick out your favorites to visit.

Wednesday, July 14: Don't lose track of time on your tour today—Northern Quest puts on a banquet buffet that you won't want to miss!

More info will be posted at spokanemodeltclub.com and e-mailed to those who have registered for the tour or signed up on the website to be on the e-mail list.
