Tom and Susie On Their Way

On July 2, 2006 Tom and Susie Carnegie set out on a wonderful adventure to see if they could do the lower 48 states in 40 days. There were several friends and family to see them off. There several adventure just to see them off. A starter was replaced on one T and a small hole was found in the gas tank of that T, when there was a small fire. They did a fast repair to the gas tank when they joined the others a Albertsons on Trent and Argonne. Alan Stacey just out of the hospital had to come and wish them a safe and fun trip. Glen and Hazel Whitely, Judge Harvey Durham, Mike and Diane Corcoran and as well as several others were on hand to with them all the best. Several T then toured with them down to Yakima were they spent the first night. Mark Hutchinson when as far a Davenport with them.

You can check on they progress at www.antiqueautoranch.com/superttour. At the time of this going to the printer they were in North Carolina and have been through 22 states. Of these they have see large portion and on some only small portions. They will have a lot to tells when they make it home. Nan is looking to put together a "Welcome Back Tom and Susie" tour. She doesn't have the detail ironed out yet, but has a tentative plan to tour out Saturday, August 12th and meet Tom and Susie along the way as they return home and escort them back into town. She would like to discuss this in more detail at the potluck.

The Spokesman Review did an article on Toms Super T Tour in the Thursday July 13th addition.

Tuesday Night:

When I spoke with Rick and Mike about Tuesday night the both said that it has been a little quite. Craig Nelson's T has gone to the body shop in Deer Park. Craig is very excited that he will have it ready to tour hopefully by September. Dan Coslic brought his T pickup in and they have started working on the engine Alan Stacey brought the 27 pickup in to work on as the fan belt needed to be changed. He was very pleased that he was able to do the work on his own. He stated that he will be down there a lot more now that he is home. Dennis Secaur stated, when he saw Alan, that he is still working on the bodywork on evening and weekend and is hope to have his T Roadster out soon. President's Monthly Chatter:

We have already done some interesting and exciting activities this touring season. We have presented 'history of the automobile' programs to two elementary schools, participated in city parades, opened an exhibit at the MAC Museum, participated in charity events and had a couple small tours just to name a few. At all club activities I always notice that in addition to the scheduled organizers there are also several people who help prepare and organize to ensure that the activity is a success. Almost always, they pitch in without being asked. This level cooperation and camaraderie is a big factor in making our club an outstanding organization. I thank all of you that give your talents and time to the club.

Board of Directors Meeting May 21st, 2006:

We decided to find a price and offer it to them for that. The minutes were discussed. Lee B. wants them to be deeper so that a member who does not attend will know what happened in the meeting. We discussed the state of the club. The organization of tours was discussed. We also discussed a change in venue. There was a motion to adjourn the meeting. It was seconded and passed. The meeting was adjourned at 2:41pm.

Meetings: There is a August potluck meeting at Karen and Wes Miller's home. Please bring our own chairs and a your own dishes. Meeting starts a 7:30pm sharp. Bring your food dish to share and come early. Wes stated that they should have every set up by 6:00 or 6:30. Address its 1606 E Center Rd Mead.

This year's Montana 500, was held June 19-21st and based out of Dillon, MT attracted 15 participants from across the nation, with six coming for the Spokane Model T Club. The winner was our Tom Carnegie, who was fresh out of surgery and under Dr's order to take it easy and not get tired or do anything stressful. We're wondering if the Montana 500 fits into the Dr's plan? In any event, at the last minute, Tom decided that it wouldn't hurt to go over and watch the race, only later to decide to participate in it. He won the event with a total driving time of 10 hours 20 minutes (averaging 51.45 mph) to drive 500 Montana miles, defined as expansive open areas punctuated by hills, mountains, rivers, wildlife, an more beautiful scenery than the mind can comprehend, but since your traveling 50-60 mph in a Model T, you can't take time to enjoy it! Gene Kicha and Lee Burgess also participated by driving the entire 500 mile route but did not take part in the competition.

#1 finisher, Tom Carnegie came in 10 minutes ahead of the #2 finisher, Mike Robison. The Spoke T Club participates and finishing time were:

	Finish Place	Avg MPH	Total Time
1	Tome Carnegie	51.45	10 hr- 20 min.
2	Mike Robison	50.65	10 hr-30 min,
5	Jillian Caples	49.05	10 hr-50 min
6	Rick Carnegie	48.94	10 hr-52 min.
9	Nan Robison	44.00	12 hr-05 min
13	Jim Heaton	39.09	13 hr-36 min (Jillian's grandfather)

- 1 envelope (1 tablespoon) unflavored gelatin
- 1/4 cup cold water
- 1 cup powdered sugar
- 1/2 cup cocoa

Gradually add dissolved gelatin. Beat until mixture holds a soft peak. Pour into pie shell: refrigerate until set, at least 1 hour. Garnish with sweeten whipped cream and chocolate curls.

This is one of Alan favorites.

Lilly Li Ying Glennie

June 28 was the departure date for Gene and Carol Kicha and Sandy and Scott Glennie to travel to China to add Lilly Li to our family. The Model T was not up to the trip so we boarded various airplanes to go from Spokane to Portland to Tokyo to Beijing. We arrived in Beijing June 29 after flying 6,422 air miles and approximately 15 flying hours. The next few days were spent

being tourists in Beijing which included tours of Tiananmen Square, The Summer Palace, The Great Wall – yes, we all four climbed a portion of it in high heat and humidity! – a pearl shop, a Jade factory, a silk factory and a cloisinne workshop. Our food experiences were wonderful and very different from American Chinese food. July 2 found us enjoying an international church service conducted in both English and Chinese.

July 3 was a big day – An early morning flight to Wuhan and we were united with Lilly Li. She was officially adopted by Sandy and Scott on July 4. What a wonderful addition to our family. She is 14 months old, is a toddler, weighs 19 pounds and seems to like all foods presented to her – except bottles and sippy cups ---they are for babies!!!!!! Getting acquainted with Lilly Li, sight-seeing and paper work occupy the next few days in Wuhan.

July 7 was our flight to Guangzhou – and Lilly Li’s first airplane flight. We may have another pilot in the family. More sight-seeing, shopping, and paper work. On July 12 we left Guangzhou to return to Spokane via Tokyo and Portland . In Portland we went through customs and immigration. Lilly Li is now a US citizen. After re-checking our bags, we were met by Portland relatives for a visit with Lilly Li before departing for Spokane where a very large sign and lots of family and friends welcomed us home. Scott said he thought it was the longest July 12 he had ever experienced!!

We have lots of stories to tell and are anxious for all of you to meet our newest member of the family.

Susan stated that they will again have the barbeque for all the drivers of cars and one guest. Alan stated that this is one car show he will be attending.

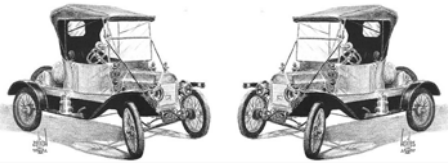

INCCC Scholarship Car Show

Approximately 250 of Spokane’s finest antique and classic cars saturated several blocks of downtown streets which wer blocked off for eh annual Inland Northwest Car Club Council’s awards and scholarship car show. Our T club had about 12 cars there. Eric Hutchison, in his “23 Touring, was the proud recipient of the sol honor bestowed upon the Model T Club, that being the “Just Because It’s Neat” award sponsored by Little Benny’s Drive-In Restaurant. Congratulations, Eric! That is a wee deserved award for all the time and effort Eric puts into going on Model T tours, good weather or bad. The T Club also sponsored the award called the “Nifty 50’s” that went to a beautiful “51 Chevy Convertible.

Since their T wasn’t running good, Bill & Sammee Blattner for Hayden brought their hotrod which over-heated in the mid-90 deg. heat. Thankfully, Bill escaped serious burns when he removed the over heated

radiator cap and a hue geyser of near boiling antifreeze drenched him. Other cars were over-heating and not running their best due to the hot summer heat. For those of you who missed the show, it was large and it had a huge variety of antiques, classic and hot that everyone enjoyed viewing. Despite the heat, it was a good show and one that is bound to continue growing in the future. Don’t miss this show next year.

Up for discussion at the meet this month will be the opportunity to move the meeting place to the Opportunity Presbyterian Church on 202 North Pines as Millwood City Hall has stated that they do not want us to have refreshments in their facility. The church has a larger room and they do not mind if we bring refreshments or we could even cook in the kitchen with enough time ahead to let to let them know we wish to do so. There is plenty of parking and the cost change with only be to \$12.50 per month.

Got a car you want to sell, parts for sale or a special announcement of interest to club members. Your information could be right here, right now in this issue. There is no charge to members for this service. Contact the Editors for further information on how to.
