Meeting Place

This month's will be at the Otis Orchard Elementary School. Please bring our T's to the evening starting at 5:30 pm and dinner is at the school.

Rendezvous Days : Hotrods & Buckskins

It was a "blast" in Eureka, MT on April 27th-29th. The trip was interesting for some (Rick Carnegie & The Nelsons). The Nelson's had their own tour, by missing a turn to Eureka, and ending up to St. Regis, MT but they got there. Rick Carnegie & Mike Stormo drove their T's from Spokane to Eureka, Mt (230-each way). Rick had a long, long talk with the constable in Libby, MT. It turns out, the Police in Libby are not to particular to T's on their roads. Even though the are legally as Rick pointed out (wrong this to do)

Alan Stacey, Craig Nelson & Eric Bruckner (T Club in Portland, Oregon) brought their black-powder 50-cal. Guns and taught anyone who wanted to shoot them. The highlight at Eureka was 1913 Cole (R-bottom) that was brought to life by Abe, Mike and others. It hasn't running since 1965. It took about 2-hour till they had it out and running. Mike had all totaled 24 Model T's for the parade with 8T's from Spokane, Eureka area and Calgary, BC. With Bob Brandvold, Joe and Diane Swanson, Wes and Karen Miller, Rick Carnegie, Mike and Jackie Stromo, Allen and Bev Henzen, Charlie and Jean Almeda and Alan and Suzie Stacey. Dan Coslic and his son Justin came just to camp and see what this was all about. Keith Robison from Calgary (top right) is running for the office for the western region for the Model T-Ford club of America. He is hoping that the members will vote for him. Mike & JoAnne Cuffe helped everyone to have a good time. We had a total of 37-T's and a total of all type of cars was 175 (I heard). The floats for the parade were great. In all and all it was a blast. If you missed it this year, plan of next year now!

1st. Annual Millwood Classic Cruise to End Hunger

We have new sponsors! Albertson, Dairy Queen, Hollywood Video Oldie 101 and Great Clips for the 2nd Harvest Annual Food Drive on June 9th from 9:00am to 2:00pm. If you were there for last year show (in the rain) you will remember the band *The Country Jammers* have agree to play again this year for free. This is a Rain for Shine show as it is to benefit the 2nd Harvest Food Bank. If you find that you can not be there stop by to donate food or money to the food bank. This is the time of the year that we forget that there are kids home from school. During the holidays we remember more, but the food bank needs it at this time, too. If you wish to help please let Alan or Suzie know as they would love for you to be there. We can not forget the kids at this time of year either! Entry fee is \$10.00 for \$5.00 and 5 cans of food. The entry fee will buy \$100.00 worth of food. Please help our community.

Inland Empire Model T Ford Club

Vice President, Erik Hutchinson called the meeting to order at 7:35 P.M.

Mike Stormo introduced Rick Carnegie as the newest criminal in the club.

Seems he had some trouble in Montana. He was stopped for some reason, and nailed for having improper registration, any way that's what the story sounded like to me (secretary's note... sounds pretty bogus to me!)

Erik Hutchinson briefed us he has the swap meet schedule which he sent around for us to sign up. We will only be helping man the back gate. We are not sure yet where our booth will be, they are still working the interior layout.

Committee chairpersons reported as follows:

We approved as written the minutes for last month.

Treasurer, Allen Henzen, passed out a treasurer's report which was approved.

Sunshine, Jean Almeda, sent cards to Dusty and Marith McCoul .

Road Cleanup, while Wes Miller was not present it was stated that the weather was so bad apparently nobody showed up and the cleanup was cancelled.

Programs and Safety, Mike Robison, stated the safety inspection will be May 20th at 9:30. Norma and Larry Skidmore will host it again this year and the coffee will be ready at 9:00 am.

Tour Chairman, Dave Robison, gave the tour report.

Charlie Almeda stated we have 1 unit of blood available. He also briefed us about the Car Club Council wanting \$100.00 to help the Humane Society. This eventually turned into a motion which was seconded and passed.

Old Business: June's meeting will be held at the Otis Orchard School at 7:30 PM.

New Business: Erik Hutchinson announced his engagement to Brittani Kelly. A motion was made to give the Car Club Council our old printer, it was seconded, a little discussion and passed. Charlie Almeda brought up that we should start thinking about who will be heading up the 4th of July tour as next time it is our turn. Lee Burgess sent around a sign up sheet for the INCC car show which will be July 19th from 5-9 pm. The group working with the assembly car has agreed to meet at the Antique Auto Ranch on Tuesday nights (another secretary's note...rumor has it the meeting place and time has since changed—call Erik Hutchinson or Mike Robison for details.) The following information was in the last minutes however I believe it still applies and will act as a reminder to all.

President's Message

Howdy, The month of June is fast approaching. The weather has been great, except for the last few days. There was a great turn out for the Safety Inspection. Rumor had it that about 22 cars were there. WOW!! Lots of tours coming up, so I look forward to seeing 22 cars at the next one. Wouldn't that be something!!! I would also like to take this time to offer thanks from the Robison family. The loss of my Father was very difficult. He was a great man, and he will be truly missed. The love and support we received from the member of the Model T club helped make that loss more bearable. We thank all those who called, sent cards, and attended the service. You are all great friends and are very appreciated. Nan

The June meeting will be at the Otis Orchard school. They are holding a fund raiser and an educational day, much like last year, on June 1st. Here is an excerpt stolen from an e-mail from the Pattersons'

"So, we are set for Friday, June 1st here at Otis Orchards Elementary. If you could have your friends bring their cars here by 12:30 then we could begin having your video presentations in the gym around 1:00. The PTSA Barbeque is from 6-8. Perhaps the cars could set up for this by 5:30?? Dinner is on us! Yeah!" I hope this information helps?

Dennis Secaur brought in his new steering wheel for everyone to see. Rob Flesner brought pictures of his many projects. Looks like he is keeping busy.

Alan Stacey won the drawing splitting the \$16 pot.

Respectfully submitted;

Mark C. Hutchinson

Penny Drive : The Guilds' School Penny Drive on April 28th was again a great success. The final numbers aren't in yet but the preliminary results are encouraging. Glen and Hazel Whitely, Lee and Candy Burgess, members of the Windermere Realty staff and parents of Guild School children were at 29th and Grand and collected an amazing amount of coins and folding money. Cheri Moore, Hazel & Glen Whiteley and Candy & Lee Burgess? were also collecting at the location. Collecting donations from motorists is a lot of fun and many motorists express thanks for giving time for the school. The Guild School assists children from birth to three years suffering from developmental problems and is a very worthy group to support.

Opportunity Church Car Show:

On May 12 the Car B Que at the Opportunity Presbyterian Church was the place to be. Rick brought his 100 year old "N", Larry Skidmore brought his '25 Canopy Express, Bob Roark '15 Brass Roadster, Jillian Caples '26 Roadster, Dave Robison '25 Roadster-Pickup, Alan Stacey '15 Brass Roadster, Suzie Stacey '27 Roadster-Pickup and Lee and Candy Burgess '15 Brass Touring with Bob Roark '15 taking the Antique Divisions Trophy.

If cars wasn't your thing the was a plants to purchase for your garden. The Blood Bank brought they Mobile Blood Bank so that you could donate. There was food to eat when you got hunger and of course there was the friends that were there to chat with.

If you did not make this years show make sure to put it on your schedule for next year as this is a lot of fun.

Model T Club Booth - Spokane Swap Meet - July 13-15

It's getting to be that time of year again and we are looking for people to help staff the Model T booth at the Spokane Swap Meet July 13-15. This year we have a much better location which is both more visible to the public and closer to the action! Last year we did not attract as much interest due in part to the location given to the club as a result of construction to the main building. This year the Model T Club will still be indoors but will also have the advantage of being close to the outdoor booths. With this new location, we hope to have a much larger turnout at the booth and we are looking for volunteers to aid in staffing it over the Swap Meet weekend. We are asking that T club members please try to spare 2 hours over the course of the weekend to help watch the T club's booth. With everyone's help, we could turn this into one of the more successful swap meets the T club has ever had! If you have time to spare, please look at the signup sheet in this issue and/or contact Erik Hutchinson at 509-939-3572. You can also email him at ehutchin@gonzaga.edu.

Thank you and we look forward to seeing everyone at the Swap Meet this year!

Tuesday-Nights:

The guys and gals are working hard at Tuesday-Nights. The Montana-500 is close now. The motors are rebuilt, tuned and polished for the race. Dennis Secaur is working hard on his 14 speedster on the last retails. Dan Coslic had to pulled his motor again, since he had a bad mag. The guys helped Dan to work on it for him. It still have some bugs in his motor. We did Dan can work them out. Since the Inspection Tour was done, now is the time to bring that T to the Tuesday Nights. Tom has the right parts, and there is a lot of help. There we will be future tours coming up. Is your "T" ready? Plan on coming down to Tuesday-Nights at Antique Auto Ranch.

Spice of Life:

Kitchen Sink Cookies

1 lb margarine or 2 cups cooking oil
 1 lb brown sugar (3 1/3 cups)
 1 tsp vanilla
 4 eggs
 2 1/2 cups flour
 2 tsp soda

2 tsp salt
 6 cups quick rolled oats
 2 cups coconut
 2 cups chopped nuts (peanuts are very good)
 1 large package chocolate chips

Combine margarine, brown sugar, vanilla and eggs, mix well. Add flour, soda, salt, mix well, then add oats, coconut, chocolate chips and nut. Drop by good rounded teaspoons on cookie sheet. Bake at 350° for 10 to 13 minutes. This cookie recipe makes about 9 dozen.

I have taken the 2 cups raisins out (just because I don't like them) and instead of large package chocolate chips use 1 regular bag chocolate chips and 1/2 bag of butterscotch chips. I also use the 2 cups cooking oil. When Alan and I were skydiving I would make at least 2 batches some times as many as 8 if we were going over a long weekend we never came home with any. Alan started calling them Kitchen Sinks as they had everything, but the kitchen sink.

April 29, 2007 - Atlanta Tammy, Parker & Jeff Hipp went for a short Model T ride today and took a few photos that they thought to share. Parker hung onto Mommy and wasn't too sure about the normal Model T ruckus, but when we got home he wanted to go some more so I took him down the block and back. Hope to see everyone at the swap meet. Jeff Hipp

Inspection Tour:

May 20th may have started out on the chilly side but with all the work inspecting the 22 car that made the trip you sure didn't stay cold for long.

As always there were some T tales and some Tall tales and stories to tell. Eric brought his fiancée Brittani Kelly with him along his T the duct tape was thoroughly inspected. Mike and JoAnn Cuff from Eureka, Mt even showed up for this event and brought an item for the silent auction.

As always the food and company were good. Thank you Larry and Norma for the use of your house and garage. Thank you to all that brought such great food. There are some good recipe that will need to be shared with the newsletter. Dave Klesch brought his Center Door for the inspection and was a little late so they guys did the inspection out on the street. He has come a long ways on the T that he and Linda brought home that night. Patch let Dave to the driving but he makes sure that the T goes not were without him.

Mike Stormo had a scavenger hunt with what was in your T's. Rocky Rachuy won the \$25.00 gift certificate to Antique Auto with Glen Whiteley coming in a very close 2nd. Eric Hutchinson stated that the one person with nothing in his T should be the one to win as he would need to get everything on the list.

This years silent Auction was very silent and was not enough to pay for the chili. So we will have to do much better next year. For all of you the have your list of what will need to be fix before the tour season is in full swing Tuesday Night at Antique Auto Ranch should be your next stop, ask Tom Carnegie and the gang. For those of you that are willing to help Tuesday Night needs you expert advice and hands to help.

Lilac Parade:

John & Karen Crawford and their Grandkids along with the Stacey's attended the Lilac Parade. We were the only two T's, it was a light turn out. Also for the dinner before. Art Tondini and the Stacey's had dinner at Frontier West on Division. Art Tondini got the honor of sporting around one of the younger girls in his Mustang Convertible. We were the only 3 people for dinner. Art Tondini was surprised there wasn't more people turn out to support this function for Spokane. Let's hope that the next parade there can be a better turn out.
