The Deer Park Parade saw several T's. Jim and Margaret Sills brought their 1917 Touring out for this event. They were joined by Alan and Suzie Stacey in the 1927 Roadster Pickup. Don Nelson brought his 1910 Touring with friends and Paul and Margie Beck had just bought the 1922 TT Dump Truck.

When the parade was finished and we enjoyed a trip to the Deer Park's Park for ice cream and a chance to met with other T owner. There were several people that had question that need to be answered as well and kid that needed a chance to get out and play in the park. There were several class reunions for the Deer Park graduates. There were craft booths and several community activity to participate in.

Moore's -T's

We worked with Alan Stacey and Jim Hein (CARS Club) with their help on Saturday, August 4th. We worked putting together the wood kit for our body in order to have our Roadster drivable when Greg's 84 year old father came to visit on the 12th. This 25-Roadster P/U was his T. He did get a ride the last day that he was here. They provide food, pop, beer for those that would come to help it was great. With the expertise from Alan and his friend, we went a long way. Last week they were able to get it running for a few trips down the street with Greg's dad helping with the tinkering of the engine.

Spice of Life: - Oven-Fried Chicken - By: Barefoot Contessa Family Style

2 chickens (3 pounds each), cut in 8 serving pieces
1 quart buttermilk
2 cups all-purpose flour
1 tablespoon kosher salt
1 tablespoon freshly ground black pepper
Vegetable oil or vegetable shortening

Place the chicken pieces in a large bowl and pour the buttermilk over them. Cover with plastic wrap and refrigerate overnight.

Preheat the oven to 350 degrees F.

Combine the flour, salt, and pepper in a large bowl. Take the chicken out of the buttermilk and coat each piece thoroughly with the flour mixture. Pour the oil into a large heavy-bottomed stockpot to a depth of 1-inch and heat to 360 degrees F on a thermometer.

Working in batches, carefully place several pieces of chicken in the oil and fry for about 3 minutes on each side until the coating is a light golden brown (it will continue to brown in the oven). Don't crowd the pieces. Remove the chicken from the oil and place each piece on a metal baking rack set on a sheet pan. Allow the oil to return to 360 degrees F before frying the next batch. When all the chicken is fried, bake for 30 to 40 minutes, until the chicken is no longer pink inside. Serve hot.

Tuesday-Nights:

Travis, Brenda and Chole brought the Travis-T in for a new top. Cheri Moore brought Awume Yatsuzuk from Tokyo, Japan with them and Julian took her (her second T-ride-see pg.9) for a ride in her pink T. Awume thought this was great as pink is her favorite color. Travis and the guys help to fit a new top on his Touring. Tom Carnegie is working on a new Coupe, it's a great car. Alan Stacey has been working on the 27 T as they are having some trouble (still, some, again). **It's a T!** Mike Robison, Dan Coslic and others have been a great help. With the right parts, and there is a lot of help. Tuesday Nights still going strong. If you need to work on your T or just want to talk T's, plan on coming down to Tuesday-Nights at Antique Auto Ranch.
