A Message from our Club's 2017 President:

Happy New Year! I would like start off the new year as your newly elected president with an introduction and a little history about me. I was born at Fairchild AFB, where my dad terrorized the base police by ripping around in his model T. I graduated high school at Mead Senior high school (World renowned shop teachers resided at MHS! Wink G.K.) and then moved to Alaska for 17 years where I met my wife Maggie. We moved back to Spokane Washington in the year 2000. Maggie works for Valley Hospital and I work for Schindler elevator corporation as a mechanic.

I look forward to an exciting 2018 and will do my best to keep up the momentum our past club leaders have generated. I look forward to meeting each and every member personally and hope to see you all at our monthly meeting. – Matt Hansen

Minutes from the Last Club Meeting

Thank You,

Inland Empire Chapter Model T Ford Club of America. Your beautiful President's gift, a drawing of my 1926 Roadster by Larry Skidmore, is one of the nicest gifts I have ever received. Children and grandchildren excluded! Larry did a fantastic job!

— Mark Hutchinson

Swap Meet Booth for 2018

We'd like to expand what we did last year with more pictures and history on the Model T. Maybe add the video again. People seemed to like the booth last year, and we did get many compliments - so maybe use a lot of the same photos plus some new ones?

We would like to open this up to suggestion to the club as a whole. What do you think? Have ideas? Please share them with Jim Patterson, or email us at fenderchatter@gmail.com.

The swap meet booth has traditionally been a great tool for us to recruit new members, and raise awareness of what the club is, what we do, and introduce the general public to the Model T.
