Class: Select which of the 3 classes your vehicle fits into best. Check the appropriate box below. More complete descriptions of the requirements for each class are available upon request. For any questions concerning your vehicle's eligibility or Class for the show, call one of the following: John at 509 467-0896; Gordon at 509 926-4876; LeRoy at 509 999-8046

Restored Class Cars brought back to near new	Driver Class Well cared for Originals and Older Restorations	Survivors Class Vehicle has been kept running during its life with only the repairs need to keep it operating.
Must be factory original or restored to factory original. Engine and transmission must be original to the year, make and model of the vehicle. Electrical system and fuel system must be of original design. Wiring replacements are acceptable if they are of the original design. Addition of fuel filters and fuel line upgrades are acceptable. Paint, body and interior must be presented as original. Wheels must be original style and type. In general, no bright work upgrades are allowed. Eligible vehicles are 1989 or older.	Class allows for a limited number of non-authentic upgrades, but in general the vehicle looks essentially as it did when it came from the factory. Engine, transmission, paint and interior must appear period correct per the original manufacturer. Wheels may be upgraded, but must be of the original size. Some non-original bright work is allowed. Call the phone numbers listed above for a more complete set of the requirements. Eligible vehicles are 1989 or older.	Engine and transmission must be original to the year, make and model of the vehicle. Paint may be touched up and accident-caused damage from 'fender benders' repaired. Call the phone numbers listed above for a more complete set of the requirements. Note: For the first time at this show, Survivors must be at least 50 years old (1969). Newer vehicles may enter the Restored or Driver Class.
Restored Class check <input type="checkbox"/>	Driver Class check <input type="checkbox"/>	Survivor Class check <input type="checkbox"/>

Modifications: If your vehicle is not original or restored to original condition, explain modifications here. Safety modifications like seat belts, turn signals, hydraulic brakes, brake lights, fuel line upgrades are allowed, but please still list them here: Please add additional sheets if necessary.

The following modifications eliminate vehicles from the show for any class: flame paint jobs, body alterations (chopped, leaded, etc.), high performance engine accessories not factory or dealer original, incorrect engine or transmission installed.

Select whether you want your vehicle to be judged or not judged: check box : Judged check Not Judged (display only) check

Registration Note: Applications must be received by August 24, 2019
