A Message from the Club President:

As we roll into December I hope everyone has recovered from all the Thanksgiving feasts. I want to congratulate our newly elected Board members Steve Heid And Karma Roth. I would also like to thank Janice Hutchinson and Ralph Brevik for staying on another term. I hope to see many people at the installment banquet and a quick reminder that tickets need to be purchased ASAP. We have been assured the food and silverware will actually be real this year!! All kidding aside, a big thanks to Betty for hanging in there for 10 years as treasure for the club and setting up the banquet. A big Thanks to Jeff Hipp for the monthly reminders of the Presidents report. I hope everyone has a Merry Christmas a Happy New Year and look forward to our National Tour in 2020. And yes.. thank you for being part of the best Model T Club. — Matt

Minutes from the Last Club Meeting

Meeting of November 1, 2019

President Matt Hansen called the meeting to order at 7:40 p.m.

➡ **Minutes:** from the October meeting were approved as printed in the *Fender Chatter*.

➡ **Treasurer's Report:** was accepted as read by Betty Patterson.

➡ **Sunshine:** No report as Susie Carnegie was not at the meeting.

➡ **Tours:** Chairman Steve Heid reported on past and upcoming tours. On October 5 the club supported a request from a Medical Lake merchant to participate in a Re*Imagine Medical Lake event. Rich Hummer, Montana Barnard, and Jim and Betty Patterson (Betty drove their Model A!) gave rides in exchange for bags of candy to be given out at Medical Lake's Trunk or Treat on Halloween. The drivers were treated to pizza and ice cream for lunch. A huge amount of candy was donated and we already have an invitation to do this again next year.

Rose Hodges received thanks and a round of applause for her hard work on the Model T display at the Spokane Interstate Fair.

On October 12, Steve led 4-5 Model T's plus a number of more modern cars to tour the Bird Aviation Museum. Majestic Park was the site of a picnic lunch and a competition between Nan Robison and Tom Carnegie on the swings. The tour lost the Hutchinsons at the park when granddaughters Miette and Kiera insisted on more play time, but everyone else continued around Hauser Lake and to The Otis Grill for ice cream.

The next tour on our schedule is Breakfast with Santa at the Hauser Lake Fire Station on Sunday, December 8th. Watch your e-mail or the website for more information about this event.

Guest Dave Hemke from the Model A Club has agreed to be the chair of the Speedster Run on Labor Day weekend in September 2020. He has never done this before and is asking for help and advice. The tour will be based at the Mirabeau Park Hotel, and is open to all 1934 or older 4-cylinder vehicles. He is working on routes, and will be planning a meeting to work on other details.

➡ **National Tour:** Matt talked about next July's National Tour. We have a lot of planning to do: routes, meals, tour bags, and other activities. If you would like to be involved, contact Matt or Janice. Our next meeting is **Monday, November 18th** at Charley and Rose's Shop.

➡ **Charity Committee:** Chair Betty Patterson read the committee guidelines from the club's bylaws regarding the amount we had available to

donate to charity this year. It was approved to donate \$200 to the Model T Ford Club of America's Museum, as matching funds are available to double this donation. The remaining charity money will be donated to the INCCC Scholarship Fund along with the proceeds from our monthly 50/50 drawings—a total of over \$250 so far. Betty also announced that the Charity Committee Chairmanship is open if someone would like to volunteer.

➡ **Annual Banquet:** will be at the Airport Ramada Inn on Saturday, January 11th. There will be a two meat buffet, and a game for entertainment. The cost is \$36 per person, and must be paid to Betty Patterson **before December 31st**.

➡ **New Business:** Matt didn't find anyone with new car projects to talk about, but Jim Patterson is working on car chocks to be given away at July's National Tour.

Matt announced that club members who earned jackets by completing all the tasks on his activity sheet last year will receive them at the next meeting.

➡ **2020 Officers:** As all of the people nominated to be officers in 2020 were running unopposed, Rick Carnegie suggested an election by unanimous voice ballot. Your officers for 2020 are:

- **President Steve Heid**
- **Vice President Ralph Brevik**
- **Secretary Janice Hutchinson**
- **Treasurer Karma Roth**

Thank you, Betty, for your many years of service as our Treasurer!

➡ **Door Prizes:** The 50/50 drawing was won by Matt, who donated his winnings to the scholarship fund.

Brooke Robison, our expert at drawing for door prizes, passed out lotto tickets to Gene Kicha, Daryl Skomer, Ron Stose, Russell Hanna, and Tina Skomer. Good luck, everyone!

The meeting was adjourned at 8:20.

➡ **Soup Party:** After we adjourned, we got everyone's attention again for a quick vote on the date of this year's Christmas Soup Party. Sunday, December 15th was chosen for our annual party at

the Hutchinsons' house. Watch your e-mail and the website for more information. **NOTE: this year marks the 25th anniversary for this event!**

Respectfully submitted,
Janice Hutchinson, Secretary

CHRISTMAS "T" LIGHTS

Seattle's "T Oiler"

EQUIPMENT NEEDED: A 30 light set of the 110 volt miniature (3/4") bulbs on a loop cord, about 30 ft. of two color bell wire or plastic coated lamp cord, two alligator clips, electric tape, and wire strippers help.

PROCEDURE: Splice light wires in parallel on the main line. Staggering the attachment points helps eliminate any possible short. The number of lights possible is dictated by the capacity of the main line used. 12 volts merely gives a brighter light than 6 volts. Flasher lights will also work.

Information Supplied

CROSS SECTION DEPENDING ON LIGHT BULB VOLTAGE.

25th Annual Soup Party!!!

It's the holiday season and that means it's Soup Party time (our 25th one)!!! Plan to come to Mark and Janice Hutchinson's house on **Sunday, December 15th at 3 p.m.** for soup, bread, and other goodies. No need to bring anything—consider this a break from holiday cooking. And yes, we call this a tour, so there will be ice cream! We love to see Model T's, but they are optional. In the past, we have put Christmas lights on our T's for a drive around, we have visited the Conservatory at Manito Park, and last year there was a game table in the basement. Any ideas for activities this year are welcome! If you need directions, or have any other questions, see us at the December meeting (we will bring maps) or give us a call at 448-2819.

2020 TOUR OVERVIEW

MTFCA 2020 NATIONAL TOUR

T's on Tour in the Inland Empire

JULY 18-23, 2020 • SPOKANE, WA.

Hosted by the Inland Empire Chapter

→ → → **REGISTRATION OPENS JANUARY 2, 2020** ← ← ←

Please join us in beautiful Eastern Washington! We will be touring to all points of the compass and the city center to give you a sample of the diverse landscapes found here. On most days there will be optional things to do, which you can choose from depending on your interests. Lunches will be provided when we are visiting rural areas. Complete tour information can also be found here: spokanemodeltclub.com/2020-national-tour

Tour Highlights In-Brief:

Friday, July 17: Early Registration will be open from 3 p.m. to 7 p.m. You may pick up your tour packets and have the whole day on Saturday to explore places we will not be able to get to on our tour days. We will have some great suggestions for you!

Saturday, July 18: Our Registration Desk will open at 10 a.m. for you to pick up your packets. The rest of the day you may explore on your own: visit our Hospitality Room, take advantage of the many amenities that Northern Quest has to offer, or find information about other sites to visit at the Registration Desk. Don't miss the Ice Cream Social Saturday evening—it will be a special treat!

Sunday, July 19: We travel **North** to the orchards of Green Bluff. A look at the Green Bluff Growers Map will give you an idea of the many things to do during our visit. The more adventurous may wish to drive up to 6,000 foot Mount Spokane for a look at the view from the top, but the tour will follow beautiful country roads through evergreen forests at a lower altitude.

Monday, July 20: We will head **East** and spend a day in Coeur d'Alene, Idaho on the shores of Lake Coeur d'Alene. Enjoy a dip in the lake, a walk along the boardwalk, shopping, and great food options. If you want to play the Coeur d'Alene Resort's golf course and test yourself against the famous Floating Green, you will have to set-up your own tee time.

Tuesday, July 21: We'll work our way **South**, where glacial lakes drained and left behind sand dune-like rolling hills that are the richest land in the country for growing wheat, barley, chickpeas, and lentils. We'll stop to smell the roses along the way, and have lunch in the college town of Cheney, home of the Eastern Washington University Eagles and their famous bright red football field.

Wednesday, July 22: It's to the **West**, where the land is more what one would expect of our high desert locale. The West Plains are the eastern edge of the channeled scablands scoured out by great floods during the last Ice Age, and we will be traveling through them to historic Fort Spokane, with lovely views of the Columbia River on our return trip.

Thursday, July 23: We make the short trip into **downtown** Spokane to follow the City Drive, a tour of some of Spokane's historic places. There are too many to stop and see them all, but we will give you enough information so that you can pick out your favorites to visit. Don't lose track of time—Northern Quest puts on a banquet buffet that you won't want to miss!

More info will be posted at spokanemodeltclub.com and e-mailed to those who have registered for the tour or signed up on the website to be on the e-mail list.
