A Message from your Club President:

Well another boring month has passed us by. Now to try something new. I have talked with the other officers and we are going to try an **outdoor distance meeting** at Mirabeau Meadows Park at 6:30pm. This is where Mirabeau Parkway and East Euclid come together behind Discover Place. **Bring a chair** and we will see how it goes. And we understand if you don't feel safe yet to venture out please don't feel obligated.

I'm sure everyone by now has heard the National tour in July has been postponed till 2021. So we have a year to make it even better.

Watch your e-mails because you never know somebody might just throw a quick distance tour together and end up somewhere for ice cream.

Take care, Steve

Minutes from the Last Club Meeting

Little Henry Speedster's Quarantine Adventure — by Betty Patterson

Little Henry Speedster decided to have a little tour today...

He went to the lake and tried fishing. Then someone told him that that was illegal,

so then he moved on and eyed a merry go around. Oh how he wished he could have a ride.

Moving on he found a rock formation and a water fall.

The cherry tree by the falls smelled sooo good.

By this time little Henry Speedster was exhausted, so he drove on down the lane back to his home. It was a great day for an adventure! ➔ The end.

For more tour or event details: check the [club website](#), [club Facebook page](#), or watch your e-mail.

The next regular club meeting is June 5 & outside - see pg 4 for details

Regular monthly meetings begin at 7:30 PM on the 1st Friday of each month at the Opportunity Presbyterian Church, 202 North Pines, Spokane Valley, WA.

You are welcome to join other T Club members for pre-meeting dinner 5:30-6:00 PM - **this month at Darcy's Restaurant** at 10502 E Sprague Ave. (University & Sprague) in the Spokane Valley. **We Hope to see you there!**

NOTE:
Dinner venue is subject to change at last-minute due to capacity. Check your email for any change prior to joining us.

UPDATE!

2020 National Tour:

After multiple calls from members of the MTFCA directors, followed by a meeting of those directors, the difficult decision was made to **cancel/postpone the 2020 tour and move it to 2021**. A tip of the hat to the Wisconsin chapter

for letting us slide into their spot and postponing their own tour another year! Health issues were not our only concern but the fact people would have difficulties just getting to the tour as every state has different restrictions with specific criteria to reopen each state. Our Canadian visitors may not have even been able to travel across the border. We have been given the green light to start **registration for the 2021 tour and the freedom to allow those that already registered for the 2020 tour to roll that registration into the 2021 tour**. We will be discussing dates in the near future with consideration being given to the International tour and local events being held that could Conflict with the date we choose.

➔ We are still looking for members to help out in any capacity available. It would be nice to see every member contribute in some way, shape, or form to guarantee a successful tour.

➔ We will continue to hold planning meetings and update everyone at regular Club meetings when meetings are allowed!

Spokane Model T Club June 2020 🏆 Virtual Car Show

With the COVID-19 shutdown of public activities and events this Spring and early Summer, we put out a call for Spokane T Club's **91 member families** to submit photos for a virtual car show. This is a way to interact with fellow club members, and also a chance to see some of the Model T's we don't normally get to see all together - from our own homes. Enjoy!
