## A Message from your Club President:

Well it was nice to get the car out and drive to Rathdrum for ice cream with a little drive afterwards. Now it's time to work some bugs out of the old girl and get her ready for the inspection.

On that note the Skidmores have opened up the shop again for the Safe-T Inspection with hopefully burgers and potluck afterwards.

Then before we know it the National tour will be here. I hear it is coming along just fine. So with that see you at the Hauser Lake fire station again for the next meeting.

Thanks — Prez Steve

# Meeting Minutes

## Minutes of the May 7, 2021 Club Meeting

Steve President Steve Heid called the meeting to order at 7:05 p.m. and thanked everyone for coming out.

➔ **Welcome:** We welcomed Jim Patterson's sister and niece from Bend, Oregon who joined us for the evening.

➔ **Email List:** Karma Roth is updating the T Club e-mail list. If you have been expecting to receive a copy by email, but have not been getting it, please get in touch with Karma. **Please let Karma know ASAP if you have changed your email or physical mailing address!**

➔ **Minutes:** The minutes from the April meeting were approved as printed in the *Fender Chatter*.

➔ **Treasurer's Report:** Karma's report was approved as read and a motion was approved to reimburse her for expenses. A motion to purchase safety inspection stickers for 2021 was also approved.

➔ **Tours:** We had eight cars, including seven T's, on our Sunday tour to Rathdrum. Charley and Rose Hodges did not bring a T, but they did sign-up a new member. We had ice cream in the park, and since the weather was perfect, returned on back roads. Jim Patterson announced that Rathdrum would be his last tour driving his Model T—from now on he is planning to limit his T driving to Medical Lake. A longer tour is in the works, but hasn't been scheduled yet.

➔ **National Tour:** Plans are coming together for the MTFCA National Tour in July. We are meeting again on Monday, May 17th at Northern Quest at 6 p.m. **Note that full tour AND single day tour registration deadlines are June 9. You must register ahead of time - do not show up the day-of with your T and expect to join the tour. More info page 7.**

➔ **Safety & Seminars:** The Safe T Inspection is scheduled for Sunday, June 6th as long as Spokane County is still in Phase 3 of opening. We will be skipping the awnings to encourage people to social distance and not gather so closely together. We will still have a hamburger bbq and pot luck lunch.

➔ **Sunshine:** No news from Susie Carnegie. If anyone knows of someone who should receive a card, please contact Susie.

➔ **Newsletter:** Jeff Hipp reports that the *Fender Chatter* is going well, but he is always in need of stories and pictures.

➔ **New Business:** Jeff Hipp noted that next year is the club's 50th anniversary, and perhaps we should plan something special – maybe 50th anniversary t-shirts? If anyone has ideas, please let us know.

➔ **Swap Meet:** Since the T Club will not have a booth at this year's Spokane Swap Meet (*due to the T National Tour*) Norma Skidmore reports that someone else will fill our spot this year, but she is saving it for us next year.

Nan Robison says the coffee is ready. And Myron Richardson had a special new toy to show off in the fire engine bay.

We will meet at the Hauser Lake Fire Department again next month as the church is still not available.

The meeting was adjourned at 7:35.

Respectfully submitted,  
Janice Hutchinson, Secretary

## Myron Richardson's "New Toy"

Myron opened the back bay doors of the fire station to show us a favorite fire truck that had returned home.

Myron said that he fought many fires with this 1953 American LaFrance Foamite. He thought the truck had retired to sunny California when it was purchased by a collector there, but then it was offered back to

the Hauser Fire Department as a gift if they could come and get it. It needs a little work, but still has it's original ladders and the original fire department design on the doors—painted by a local artist—is still in great shape. If you missed May's meeting, but are able to come to June's perhaps Myron will be able to display it again. (see photo on back cover)

## Please Join the National Club!

This is a reminder to all Spokane T Club members that you are encouraged to **also join the MTFCA!** We need at least 50% of our club to also be MTFCA members in order to qualify for the club insurance they offer.

## Model T Show, Tell and Share

### Model T Aftermarket Items and Accessories

I think it's fun to collect Model T related items - a legitimate part of the hobby. Below are just a few of the interesting items that I have picked up over the years. I hope you find them interesting too. — Jeff Hipp

Please [email](#) us photos of your favorite aftermarket T items and a brief description for sharing in future issues of this newsletter.

**Above:** SPARE TIRE LOCK. Lee Burgess shares photos of his recently acquired 1920's era "Johnson Universal Spare Tire Lock". It was given to him by a friend that bought it at a garage sale. Since it is universal, it probably was used on many cars, not just a Model T. Many autos of the era had open spare tires that were not locked - this helped to deter a tire thief.

## National Tour Update - June 1:

We are at approximately 130 cars.

We would like to invite our local club members that can't make the tour to join us on Wednesday the 14th of July in Riverfront Park under the Clock tower. We have space for more cars than are registered and this will be a great opportunity to meet some of the other touring folks from all over the Country. **Please BYOP (bring your own oil absorbent pad to catch drips)**. Those that are paying to tour will have pads provided for them. Those that are volunteers will also be covered. It would be nice to fill the park with Model T's. They are showing a movie that evening (might be *Ford vs Ferrari*) - River

Front Park is having a car themed day and would love participation!

If anyone needs registration forms for daily tours, please contact Janice Hutchinson. If anyone has questions please feel free to contact Janice Hutchinson or Matt Hansen directly.

The MTFCA will be conducting their annual meeting on the 8th of July. Any questions regarding that meeting call Larry Azevedo at +1 (505) 410-1909.

We can still use volunteers, if you have not been contacted yet and can help please get ahold of Janice or Matt. — *Matt*

## 2021 National Tour Reminder - DEADLINES!

**The last day to register for the 2021 National Tour—either the full tour or individual days—is Wednesday, June 9th.** We have many ideas still in the planning stages, but here is quick rundown of our tours so far:

**Saturday, July 10th** we will be touring to Coeur d'Alene to participate in the Pharoah's 1st Annual Car Show at Kootenai County Fairgrounds. Your tour fee includes entry into the show, where they are expecting 600 or more cars to be on display, and you will be eligible for great prizes to be given away throughout the day. We will have a shuttle to downtown Coeur d'Alene so that you can shop, eat, enjoy the lake...without having to find a parking space.

**Sunday, July 11th** we are travelling through the Palouse. We are planning to stop in Sutton Park in Cheney, then continue as far south as Oakesdale before looping back to Northern Quest. A box lunch is included with your tour fee.

**Monday, July 12th** we are heading to Green Bluff. We will start at Siemer's Farm, where lunch will be served, but you can plan to eat your way around the Bluff as there will be many places offering special treats for us to enjoy. The more adventurous can join the group heading up to the top of Mount Spokane, but you will need to provide your own Discover Pass to make this trip.

**Tuesday, July 13th** we will start by going to the Lincoln County Museum in Davenport and then continuing on to Fort Spokane. We will have lunch, included with your tour fee, at the Fort Spokane Park, looking out on the confluence of the Spokane and Columbia Rivers. We will then travel back with beautiful views of the Spokane River.

**Wednesday, July 14th** we are opening up the tour to all Spokane Model T Club members free of charge. We will begin by touring to Riverfront Park, where we will be able to park in Clock Tower Meadow all day. You may explore the park and downtown on foot from there, or you may continue in your Model T along a modified City Drive route through Spokane. We will also be able to tour Dry Fly Distillery. You have the option to stop at any of the sites along the way which will include the Riverside State Park Bowl & Pitcher area (a Discover Pass is required), Manito Park, Moore-Turner Heritage Gardens, and the Northwest Museum of Arts and Culture / Campbell House (entry fees apply). Even though this tour is free, please register so that we have a tour packet with driving directions for you.

**Wednesday is also our evening banquet**, a buffet dinner at Northern Quest Resort plus door prizes and awards. The banquet is included in the price of the full tour, otherwise you must register and pay for the banquet separately.

If you have any questions, please contact Matt Hansen, our Tour Chairman, or Janice Hutchinson, our Registrar.

As a member of the Spokane Model T Club, you are encouraged to show your club pride by getting and wearing your **club ID Badge/Button!** If you do not have one, please contact Bill Barr now.

Club members are also encouraged to purchase and wear a **club Jacket** or **club-branded T-shirt**. These can be purchased from [saturdaynightinc.net](http://saturdaynightinc.net) (a local Spokane Valley company), they have our club logo on file, and have a great selection of quality items to choose from.

**Our T Club BENEFITS GREATLY when our members wear their badge, club jacket or club t-shirt!**

Wear them at meetings, swap meets, all club functions, or even anytime you are out with your T. It helps build awareness of our club, shows that we are an active club, and helps recruit new members. You become an ambassador of good will for our club!

*It would also be nice to have a strong showing of Spokane T Club wear during the National Tour (folks coming far and wide to the tour are sure to be wearing their club attire).*
