A Message from your Club President:

As the year winds down hopefully we can get out and get a couple tours in. So sad the fair day was rainy which I'm sure kept a few from going.

Let's hope the weather is nicer on Saturday the 2nd when Ralph is leading a tour out past Suncrest.

It sounds like the Wednesday dinner nights have good attendance on certain nights and we are trying different places.

This months meeting will be at the Hauser Lake Fire Station again at 630pm. Some old business to take care of and it's officer nomination time. So if you are interested in holding one of the positions, show up and you might get railroaded into it.

See you at the meeting —Steve

Meeting Minutes

Minutes of the September 3, 2021 Club Meeting

Minutes for the Friday, September 3, 2021 Meeting
President Steve Heid was not able to attend this month's meeting, which was called to order at 6:40 by Vice President Ralph Brevik.

The meeting was held outdoors in Millwood Park, and we managed to welcome Karma Roth's husband, David, before we were forced to take a time-out for a freight train.

➡ **Minutes:** The minutes from our last meeting were approved as printed in the Fender Chatter. Karma's Treasurer's Report was approved as read and she also received a check to return the seed money for July's National Tour.

➡ **Sunshine Report:** There was no Sunshine report, but we send best wishes to Gene Kicha, Steve Heid, Julie Heid, and Alissa Kite. We were also very sorry to hear that Mike Stormo's mother has passed away.

Thank you to Nan Robison for hosting last month's potluck picnic meeting at her home.

➡ **Tours:** There are no plans for future tours at this time.

➡ **Old Business:** The National Tour will realize a profit for our club, but we will not have final numbers until next month's meeting. Because of this, we decided to table further discussion of the Explorers Club 50/50 raffle at the National Tour until October.

We are planning to display Model T's at the Spokane County Fair on Saturday, September 18th. If you would like to participate, contact Nan. If you need a new information sign for your car, you must contact Nan by September 6th. All occupants of your car will receive free admission into the fair.

The Antique Auto Ranch has officially restarted opening on Tuesday nights for anyone who would like to work on their T's.

Matt Hansen and Ralph Brevik are planning Wednesday Night Dinners for all members who are interested in joining us. The location of dinner is sent out by email each week. If you have an idea for someplace you would like to go, contact Matt or Ralph.

➡ **New Business:** Betty Patterson announced that the annual banquet will be held on Saturday, January 8th at the Spokane Airport Ramada Inn. Dinner will be a buffet featuring Cashew Chicken and Salmon. Tickets will be \$35 per person and will be available at the November meeting or by contacting Betty. We need at least 30 people to attend this event and would love to see everyone!

Bill Barr brought up that we need to prepare thank you letters for the donations we received for the National Tour. He proposed personal letters for our most generous contributors and form letters for others. As Tour Chairman Matt Hansen was not in attendance, this will be discussed more later. Rose Hodges, who was in charge of selling tickets for our many raffle baskets, said that the most popular was the one that included a drawing of the lucky winner's Model T by Larry Skidmore. Thank you to the many people who volunteered their time to help us at the tour!

Our October meeting will be held at the Hauser Lake Fire Department at 6:30 pm. The church's COVID protocols are too strict to make returning there for our meetings possible at this time, but we hope to have an indoor location closer to Spokane in November.

The meeting was adjourned at 7 pm.

Respectfully submitted,
Janice Hutchinson, Secretary

Model T Aftermarket Items and Accessories

I think it's fun to collect Model T related items - a legitimate part of the hobby. Below are just a few of the interesting items that I have picked up over the years. I hope you find them interesting too. — Jeff Hipp

Please [email](#) us photos of your favorite aftermarket T items and a brief description for sharing in future issues of this newsletter.

FORD BUSINESS UTILITY BROCHURE. I picked this up at an estate sale in rural Virginia years ago. Published by Ford Motor Company showing the various utility vehicles that were offered at the time. It's a little beat up from being folded and carried around in a pocket. Also included are pricing sheets and retail order forms. I believe it's from the mid 1920s.

Free: Vintage Ford Mags I have 11 *Vintage Ford* magazines dating from 1979-1982. They belonged to my dad, Norman Hoffman, who used to be a member of the club years ago. I just want these to go to a good home.
 > **Toby Hoffman** 509-951-2688

For Sale: 1927 Touring All original, no rust. It was a project with my dad, but I don't have time to enjoy it anymore. Asking \$18,000 OBO. Deer Park
 > **Mike Lewis** 509-999-8790

For Sale: 1904 Model C Touring - This is a once-in-a-lifetime car!
 After years of debate, the Walden family has decided to sell our 1904 Model C Touring. It is 2 cylinder & chain driven - motor yoke number 1228, flywheel C2327 ("C"= Canadian). A driver car that is fully restored. Dad got it in 1990 (out of Chicago) and he restored it from the ground up - to how it originally came from the factory. It was painted in 2018, pinstriped in 2019, with powder coated running gear underneath.

There are only about 19 of these left worldwide. Out of those, only around nine are complete - but **ONLY SIX** are driving. Those six are all in private collections or museums.

Carl wants to offer this car up for sale **FIRST** to Spokane Model T Club members (and would love if it stayed local), before putting an ad to a worldwide audience. Price = Inquire.
