Meeting Place

See you this month for the August 3 Potluck. At the home of **Cheri Storey, 10203 E. 18-th, Spokane Valley.** Please bring a dish to share and chairs for yourselves.

This years Montana 500 was run on June 18, 19 and 20 out of Havre, Montana. Cars came from many of the western states and our club was well represented by Mark and Janice Hutchinson, Tom and Susie Carnegie, Rick and Carla Carnegie, Gene Kicha, Jillian Caples, Lee Burgess, Nan and Dave Robison and Mike Robison. The roads were straight and flat, the weather was windy and it was really 'big sky country. Mark walked off with the first place trophy by averaging over 53 mph for the 500 miles. Second place was won by Garrett Green of Orange, CA and third place was won by Gary Ebert of Port Orchard, WA. Congratulations to all. Next years event will probably be based out of Thompson Falls and will be a very scenic run. (see pg.-8)

“His-Rides 3-rd Car & Motorcycle Show”

On Saturday, July 14, 07 there was a Car Show at His Place Church in Post Falls. There was about 40 cars and Motorcycles. Suzie Stacey won 3-rd with our 1927-T. Alan Stacey brought his 1915-T also (front). It was above 100-degrees. The Church gave us lots of free: bottled water, ice tea, pop and hot dogs. They also had a “Blow Up Contest” (draining the radiators) between a Nissan and Toyota. The car that lasted long was the Toyota (8-Minute-and it ran out of gas). The Nissan blew at 3 minutes. The Toyota cooled down, then they added water, gas and it started again. Tom Hutton owner planned to drive it home.

Inland Empire Model T Ford Club

There was no notes for July 07. The next meeting is August 03 at Cheri Storey's house for the pot luck. See you there.

Respectfully submitted; Mark C. Hut-

President's Message

Howdy,

Wow is it hot out there!!! Just the type of weather to drive around in open "T's". Catch a little sun and stay cool with the top down. Unless your Mark Hutchinson. His mode of speed travel is put up the top and let the wind take you!!! Actually a great big congratulations goes to Mark with the winning of the Montana 500. Man, did he every cook. Not only with speed, but I understand on hot days that it is really toasty under that top with the side curtains up. Ah, the price we pay for fame. All jesting aside, Mark did a great job, and I offer my congratulations! Also a big thank-you to Erik Hutchinson on the running of the Model T booth at the swap meet. He did a great job organizing the gate duty and booth duty. We had some items to sell at the booth, but need more variety for next year. I spent to much money, but I hear I wasn't the biggest spender. That made my husband happy. The Assembly Team did well. They didn't beat the fastest time, but did a nice job for the first co-ed team. Had a pretty good turn out for the demonstrations and lots of interest. Hope that it continues at future events. Look forward to seeing all of you at the August picnic.

Nan

Walla Walla Whirlwind Tour

Once again Walla Walla has fantastic a, educational and fun loving adventure tour. A trip t he giant wind energy center at Wallula, near the Oregon boarder was amazing. Those windmills are bigger than they look. Atop those hills. Each wind turbine sits on 42 sq. ft. of concrete and the tower is 242 ft high and the total weight is 150,208 lbs (approximately 75 tons). Each blade is of he propeller is 77 ft long and weights 3,300 lbs and the rotor bub weighs 6000 lbs. Its like going back to school and studying new things.

Then off to tour the Broetje Orchards, near Prescott, WA to the larges

private apple orchards in the United States covering over 5000 acres of different apples trees and having 900 employees. They fed us there at their warehouse dinning room and furnished live dancing and music (great show). Dinner that night at private home tat had a golf course in front of the home where we parked 70 some cares and gain had live Blue Grass music.

On Sunday we toured a private collection in the hills of Walla Walla to see one of the greatest

collection of rare old cars in he country. This garage was designed I a circle so you could drive into the circle an d have each car side by side facing in and upstairs circular balcony for its viewers. In this collection were a 1910 White Steam engine, 1907 Franklin with barrel nose, 1901 Packard, 1 cyl oldest running car in the world, 1903 Toledo 2 cyl, 1912 Speedwell, 1903 Small Arrow, 1908 Packard, toured Russia in 1909, 1912 Hudson, English body one of only five, 1908 Compound 2 cyl 1910 Mitchell, 1910 Electric and many more. Now ladies ad gentlemen that was a show plus a catered dinner.

The Spokane T Club has 8 cars to show off (not all T's) but represented the club will. Plus tow guests, former members Jim and Margaret Sill in the 1955Crown Vicky, and Deer Parks Mike and Diane Barrett in their 1927 Lincoln Dual Cowl Sport phaeton, among the regulars were Charlie and Jean Almeda, Gene Kitcha, Don Nelson and his grandson, Bill Mullins and his family, Alan McSweeny and Ada Bidle, Larry and Norma Skidmore and Glen and Hazel Whitely. Sunday evening dinner banquet at Walla Walla Country Club and it was a great evening and fun was had by all. GW

Members Work @ The Model T Club Booth & The Gates at Spokane Swap Meet

It this year the members came to

the call. We had a lot of the help like Dennis Secaur, but it was tight. Many of the members we saw including Mike Crabb, who always has a joke for us. It was nice to see our members & friends. For next year we are looking for more people to help staff the Model T booth at the Spokane Swap Meet for next July 2008, 38th Annual Early Ford V-8 Club Swap Meet -Spokane Fair & Expo Center . This function helps the Ford V-8 Club, and our club. This year it was very hot on from Friday thru Sunday but we have a much better location that was in the shade and was both more visible to the public and closer to the action! Last year we did not attract as much interest due in part to the location given to the club as a result of construction to the main building. This year the Model T Club was still indoors but had the advantage of being close to the outdoor booths that helped. With this new location, we think we had a much larger turnout at the booth. Alan Stacey made 30 extra copies of the "Fender Chatter" for handing out. Erik Hutchinson coordinated our volunteers to aid in staffing it over the Swap Meet weekend. It went fairly smooth. Again next year we will be asking that T Club members please try to spare 2 hours over the course of the weekend to help watch the T Club's booth. With everyone's help, we can turn the next years Swap Meet into a successful swap meet. The Club needs your help at functions. If you have time to spare, please join us. For the Volunteers, THANK YOU! For the next years Swap Meet look forward to seeing everyone there. A big Thank You to the co-ed Assembly Team we hear you were great!

A Note From : Lucille Knutson - Spokane Model "T" Club, Thank You. For the many kindnesses extended to me and our family in memory of Palmer, we thank you. I appreciate it. So many sent cards and letters, all were so comforting.

Sunshine Report:

Get Well Cards to: Wes Miller - Jim Patterson - Don Nelson.

Blood Bank Report 0 units. We Need BLOOD! For those of you that can Donate Blood PLEASE call and make an appointment to do so soon!

Thank You For Those Who Went to The INCC Scholarship Down Town Car Show

3/4 TSP. NUTMEG/CINNAMON 4 CUPS CUT UP RHUBARB

POUR INTO BOTTOM PIE CRUST. LAY TOP CRUST OVER TOP AND SEAL
EDGES. BAKE 400 DEG FOR 60 MIN

Tuesday-Nights:

The guys and gals worked hard for the Montana-500 the results show. Mark Hutchinson was the winner. Tweedy Bird was fixed at the frame. But the work held after welding the frame. Nan, Tom, Mike and Rick fixes it well, since Nan ran the race. Dennis Secaur brought his roadster in to show and get it running. He as able to drive it off the trailer and drove it to the gas station to get some gas. Nice work Dennis and all those that help get this car started.

Tom has the right parts, and there is a lot of help. Plan on coming down to Tuesday-Nights at Antique Auto Ranch.

Downtown Scholarship Car Show:

The Downtown Scholarship Car Show brought over 250 cars, including 8-T's on a warm Thursday night on July 19-th. Attended for the Club with their T's were: Alan & Suzie Stacey-27-T, Jean & Charley Almeda-19-T-Speedster, Lee Burgess-16-T-Touring, Erik Hutchinson-24-T, Tom Carnegie 26-Coup & Glen Whiteley with his 15-Touring. We saw members such as Don Rohrer, Mike Robison & Jillan Caples. It was a wonderful night! The crowds walked from Lincoln street to Stevens street, since Riverside was blocked for the car show. The INCCC did a very good for the Car Show. Tom Carnegie brought his maps and information from his US-Tour. We meet a lot of people including various couples who "have some old T's in their garage". Let's hope this people can be future members. Glen, Charley, Lee, Suzie, Erik and the others talked to a lot of people, and told then about our club, Antique Auto Ranch and Tuesday Nights. All and all it was a great night. If you didn't came to the Downtown Scholarship, plan on next years. It's fun and meet lots of car owners and see the show.

A Note From Ron Buczyk: Hello All:

The news is out that the September 22, 2007 Centennial Celebration of the Denny Mansion at Lake Washington will include several descendants of the 1851 pioneers who landed on Alki Beach, Seattle, Washington. Also neighboring Museum of History and Industry (MOHAI) is joining with their own exhibit and part of the activities. The Children's Hospital, another neighboring participant celebrating 100 years will have displays as well. The Duwamish Tribe will be represented and will present entertainment and Native American culture. We have confirmed that a 1911 steamboat on a trailer will be displayed as well as early 1900 fire engine. It comes to mind with all the event organizers that 2008 is the centennial year for the Ford Model T. We are preparing a central place of honor near the Denny Mansion front entrance for the display of a Model T and perhaps an area 10' x 10' popup information booth on anything you would like to display. We are still waiting for interested owners of restored Model Ts to respond. The event is scheduled to begin at 10 AM - 7PM and lunch and refreshments will be provided free of charge to all exhibitors. A party is planned for exhibitors inside the Denny Mansion as a follow-up celebration in October. We are looking forward to hear from Model T owners interested in becoming part of the September 22 2007 Centennial Celebration.

Best regards, Ron Buczyk - 207 Thrasher Ave NE North Bend, WA 98045

June 28, 2007

Alan and Suzie Stacey
Inland Empire Chapter of the Model T Ford Club
3555 N. Freya St.
Spokane, WA 99217-6975

Dear Alan, Suzie and Friends,

On behalf of Second Harvest's board, our staff and the clients we serve, I'd like to thank you for the \$628.88 and 1,783 pounds of food your club raised during the first Millwood Classic Cruise to End Hunger. Your very generous gift is being put to work right away to help us lead the fight against hunger in the region.

I want you to know how much your support means to us. Nearly 48,000 people are helped by a neighborhood food bank or meal center in the Inland Northwest every week. Each dollar you give is multiplied by our volunteers and food donors until it provides six pounds of donated food for a hungry family. Every pound of food we distribute in the community - from a fresh apple to a can of green beans - only happens because generous people like you choose to make a difference.

People who turn to food banks in our network find hope and encouragement beyond the nourishment they need for their family. The gift of food changes lives and gives people an opportunity to succeed and thrive. Thank you for being part of the solution to hunger in our community.

Sincerely,

Jason Luke Clark
Executive Director

Thank you so much for everything you've done to help fight hunger!

"We make a living by what we get; we make a life by what we give." - Winston Churchill

Thank - You!!!!

**From 2nd Harvest &
From Alan & Suzie:**

A very big Thank You! To all of you that helped with this show.

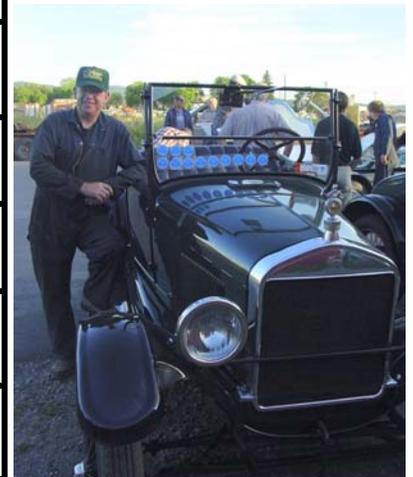

Alan Stacey, Suzie Stacey from the Model T Club, Cody Smith and Dave Jeschke from Albertson all went to the 2nd Harvest kick off for Hunger Awareness Week. Jason Clark and Rod Wieber from 2nd Harvest were some of the speaker to let us know what was done in June and what 2nd Harvest was doing with the food and money that we (the club) raised.

This year show raised \$628.00 in cash that will be use to buy \$6280.00 worth of food. With the Car Show and Albertsons food drive weekend the total of food taken in was 1783 lb. This almost filled the truck that 2nd Harvest uses for Tom's Turkey Drive. Rod Wieber of 2nd Harvest was very pleased with the way the Model T Club can get things done. So again a very large thank you along 2nd Harvest to all the T member that came out to support this cause.

Nice Job - T-Club!!!!!!

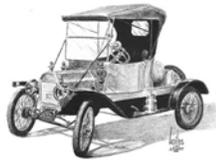

Place	Car. No	Name	Home-town	Total	Average	Day 1	Day 2	Day 3
1	3	Mark Hutchinson	Spo-kane, WA	9:20:19	53.54	4:02:59	3:18:37	1:58:43
