Presidents Message Jillian Robison

Hello T Club Members -

Hope you are all having a great summer, even with the crazy weather. Thank you to everyone that helped with the swap meet set up and the gate duty. Also, thank you Alan and Suzy for the setting up and manning T booth. Hope to see you all at the picnic in August at the Burgess residence.

Jillian :)

JULY SWAP MEET

Hi There:

Here's some photos for you and the paper too. The club members started working on Thursday for the V8 Club and then we had a lot of fun thru the meet. The booth was in a different place, but it worked well. Our booth was numbers 210, 211, and 212.

Enjoy the photos.

**The monthly meeting begins at 6 PM the 1st Friday August 5th 2011. This picnic will be held at Lee and Candy Burgess's place. 1109 N Felts Rd, Spokane Valley
We hope to see you there!**

**Inland Empire Model "T" Club
Minutes June 3rd 2011**

The meeting was called to order by President Jillian Robison at 7:30 p.m. Welcome chairman Dave Robison was absent and there were no guests. Vice President report stated that the V-8 club had sold our regular spot at the swap meet. They do have other indoor spots for us to use. Location was not stated but would encompass three consecutive spots. This will be the last year that they will allow clubs (and club members) free indoor booths. We will either have to move outside or pay for an indoor spot. As of this writing set-up will be early Thursday morning: 7am. Sign up sheet is available if you are willing to help. You will be contacted with any updates or changes.

Minutes from the last meeting were MSP.

Treasurer's report was presented: MSP. Bills to Norma Skidmore for the food for the safety inspection and to Betty Patterson for labels were presented and MSP to pay.

Committee Reports:

Tour Chairman Joe Swanson asked for reports on last months tours. It was reported the May 7th

Car-B-Que was very cold and wet. It was poorly attended. The Wooden Boat tour had about 7 "T's" attend. Since ice cream was involved it was reported to be a good tour. The May 15th Safety Seminar was well attended with 30 cars.

June 3rd Gene and Lee did a carburetor demo at Otis Orchards School. The children seemed to really enjoy it.

June 4th will be a Felts Field tour. Meet at Antique Auto at 11:00. A Montana 500 "Shakedown/Breakdown" tour will be June 5th. Meet at Antique Auto at 11:00 am. Braille Car Rally will be June 11th. There will be a car show from 10-2pm with a donation of \$25.00. The Braille tour will start about 9-10am.

Post Falls Guardian Angels want "T's" to give residents rides. Date to be announced. Dyno tour was felt to be too expensive at \$50.00 a car. Possible upcoming tours included a speedboat tour to St. John Aug. 27th. Jim Patterson will head that tour. The Fairfield Parade and Slippery Gulch days were other possibilities.

Road clean up: Possibility in Aug. No official date set.

Safety/Seminars: no report

Webmaster: Mike Robison would appreciate any photos you may have involving the T's and the club. Please e-mail them to him via "Photo Bucket".

E-mail/roster/membership: no report

Photographer: Lots of pictures taken at the Safety seminar.

Photo albums: no report

Library: Frank Baker's books are in the library and ready to read.

Sunshine: Susie sent Get Well cards to Claude Freund and Harvey Dunham. A Thank-you was sent to Norma.

Refreshments: Everyone! Come to the Swap meet!

Fender Chatter: Due date 18th.

No reports from the Banquet Committee Calendar Legal or the 4th of July Tour.

Old Business:

It was decided to house the VHS collection at the library instead of having the VP bring it to meetings. Alan will get those to Gene.

Paper work was sent to the International Club. No word back yet.

New Business:

Aug. picnic will be held at Lee and Candy's place. Labor Day Speedster run is on track. There will be a meeting Wed. June 1st. Tome Carnegie needs names of folk willing to help with checkpoints. There will be a lowland tour and some car games on Saturday. Sunday will be the main tour. Montana 500 update; The Super 8 hotel is full. Northgate Motel may have a few rooms left. Tuesday T night is running as usual with lots of folk putting final touches on the 500 racers. It was reported that there were some "T" parts for sale on Craigslist in Rosalia.

There was no entertainment or programs and the meeting was adjourned at 8:03.

Betty Patterson won the raffle.

Respectfully submitted:

Nan Robison in lieu of Ed Hope.

Jim and Betty: Thank you for your update, regarding the North By Northwest Speedster Endurance Run, we are looking forward to seeing all of you. Do you folks know about the death of Ron Kipling?? (A Seattle T Club member) If not : He was killed riding his favorite antique motorcycle last Sat. evening. A car swerved to avoid another and didn't see him. We are all in shock. He was a bigger than life character and couldn't possibly be gone. There is a memorial gathering at the American Legion Hall not to far from his and our homes on Sat July nine from 1-5. Please spread the word...
 Thanks Patti

Kamper Kar Model T Visit - Jim & Betty Patterson

Peter Kable, is traveling around the U.S. in his Kamper Kar Model T and met for a no-host dinner July 7th with those Model T fans able to go with a short notice. They met at Conley's Restaurant between 6:30 and 7:00 PM. Mr. Kamper's Model T is an early version of a Model T RV / motor home equipped for sleeping and living in. It was an interesting evening. Hope to hear more about this at our August picnic.

CARS Club-T Club- July 22 INCCC Downtown Car Show

Here's one photo from the Inland Northwest Car Club Downtown Scholarship Car Show last night. I shot a few. The first one is Wes Miller with Bill Mullans with Wes's 25 touring T. I have many more pictures to share with anyone interested, just ask.

Enjoy!

KSPS prohibition era documentary, Yesterday Work

Hi There;

Here' some info that some T-Club members worked on a movie yesterday. We were actors in a movie in a Prohibition Documentary. We went there on Tuesday, June 28th to help KSPS with a shoot at Turnbull Wildlife Reserve, and Dave Betz's farm outside of Cheney? (9-4) Also, they used our car/truck (the Staceys and the Skidmores) along with a model-A from that era, 1916-1933.

The day was hot, but a lot of fun. We shot scenes over and over again till we got it right. Suzie shot still photos during the shoot too, so we have a lot of photos. Here's 9 for you use too. The movie will finished soon and with air in November. We will let everyone know when the date are.

Take care.

Alan & Suzie Stacey

Northwest Vintage Speedster Club's 2011 Labor Day Speedster Endurance Run (Update)

The endurance run route has been run, finalized, and timed, and the final touches are now being added. It is a very scenic and beautiful route on sparsely traveled roads that most have never seen before. The Inn has their swimming pools and water slides. (hint - bring your swim suits). Saturday afternoon's events include a great hospitality suite and some new and interesting "speedster car games" with the starting positions for the Speedster Run going to the car games winners! Saturday evening you will be free to dine at a number of close by restaurants, There is no end to the fun you can experience throughout this weekend!! You can find all the necessary information on the Northwest Vintage Speedster Club's web site at <http://www.nwvs.org> .

This event is hosted by the Spokane Model T Ford!

Subject: My Model T:
Hi Jillian,

Thank you for taking my call inquiring about help with my husbands Model T. He purchased it from his brother in 1983 for \$5,000.00 and a couple guns. His brother was given this as a wedding present from his in-laws. They were the ones who built it, and were said to have driven it at one time. My husband Jack Ehry, restored and collected vehicles all his life, and this is one he never finished. He passed away May 21st, 2010 after an 18 month battle with cancer. Jack worked as an automotive machinist for 19 years and was the shop Foreman at Carquest/Valley Motor Supply in Havre, MT. We moved here in 1994 and Jack worked at RAM Engines for many years as a parts counter salesman, and most recently at Pacific Clutch and Brake as a parts salesman also. I have been told this Model T is worth only \$1,200.00 and another salesman said I should get \$8,000.00 for it. I just want what Jack had paid for it, \$5,000.00. Jack was not stupid and would not have paid more than it was worth, and it should not have decreased in value over 18 years! It does not run, but the engine is not froze-up as the crank will still turn. It is a 1924 Model T Roadster. Any help you can give me in spreading the word about this T, would be greatly appreciated!

Thank You,
Linda Ehry 509-701-2016
