True or False? A Model T won the 1922 race up Pikes Peak

~ answer inside ~

HAPPY THANKSGIVING TO ALL T MEMBERS

I think we had a good meeting in November and what a great turnout.

Remember December is the time to renew your membership for next year and to purchase your banquet tickets. Just want to encourage everyone to work on your model t projects.

CONGRATS to RICK CARNEGIE for being elected the next president!

Monthly Meetings

The monthly meeting begins at **7:30 PM on the 1st Friday of each month** at the Opportunity Presbyterian Church, 202 North Pines, Spokane Valley, WA.

Our next regular meeting is December 5, 2014.

A reminder for anyone wishing to join other T Club members for the regular pre-meeting dinner that it will be at 5:30 - 6:00 PM at Conley's Restaurant next to the White Elephant just east of Pines at 12622 E. Sprague in the Valley.

We Hope to see you there!

Spokane Model T Club Minutes

November 7, 2014

Meeting called to order at 7:34 P.M. by President Bill Barr.

Welcoming Committee: Steve H. "Earl is back, Warren is here, and Jeff and Tammy from Pullman."

Secretary's Report:

Motion to approve the minutes as written in the "Fender Chatter." Motion seconded and passed.

Treasurer's Report:

Betty gave her treasurer's report. Motion was made, seconded and passed to accept the Treasurer's report.

Committee Reports:

Past Tours: Mike R reported on the "Fall Foliage Tour." About 7 cars toured the lower South Hill area. While touring Manito Park they saw zombies and a wedding. From there they went to 57th and then down Valley Road to Vally Chapel and Palouse Highway and then to Madison for ice cream. No breakdowns.

Jim reported on the work party at Rick's that happened the same day as the Fall Foliage Tour. Rick said the power went out at one time but he has a generator. They got two walls repaired and some rafters replaced. "Had a good feed." A new roof is on. Rick thanked everybody.

Upcoming Tours/events: Soup Tour. Janice said she usually has the Soup Tour on Sunday but because of a conflict needs to have it on Saturday 20th this year. 12/20/2014

Motion was made to contribute \$100 to Janice for soup. Motion was seconded and passed.

Webmaster: Mike R. Mike said he is getting updates from Jeff Hipp.

Email/Roster/Membership: Jim says we have about 90 members now and about half receive the "Fender Chatter" by email. Jeff did a great job on the newsletter. The printed

version for mailing included 2 pages of color for the price of one page because 2 pages are printed at one time. The additional cost of \$39 about doubles the cost of publication. The question was raised of whether or not we want to include pages of color in the "Fender Chatter." Discussion followed. Another suggestion was to have it in color two or three times a year for holidays and special occasions. More discussion followed with pros and cons. No decision was made.

Photographer: Jillian says she has some new pictures to add.

Library: Gene said that the library has a lot of duplication after a recent donation. Gene would welcome anyone who would be interested in going through the collection and culling out the duplicate material.

Sunshine: Susie C. Card went out to Joanne LaBelle.

Banquet: Steve is asking that we find early pictures of when we were kids. Got four or five pictures so far - looking for more. Send to Steve if you have some. Need by December meeting.

Banquet will be January 10th 2015. Happy hour 6:00 P.M. Has tickets, \$25 per person. \$75 for an overnight stay and a full breakfast. Be sure to tell them you are with the Model T Club to get the discount.

Tuesday Nights at The Antique Auto Ranch: Mike is working on a Ruckstell.

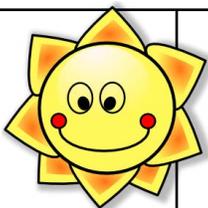

Charity Committee: Jillian reported that the Charity Committee says we have \$490.07 for charity. Committee decided to contribute \$200 to the INCCC Scholarship fund. Jim suggested that we should give \$200 to the Model T Ford Club of America Museum. This would be a good time as there is a matching donation at this time. Motion was made, seconded and passed to contribute \$200 to the Model T Ford Club of America Museum.

For Sale Wanted Services

For pictures in ads (when available) go to the Spokane Model T Club website

spokanemodeltclub.com/for-sale.php

For Sale: George Dilley's 1919 Model T roadster pickup. Restored vehicle that has been described as Best in Class at numerous events around southern Idaho. There is also a high profile cargo trailer, 16 foot (George paid \$5,000.00 for the trailer new.) The package deal for both the 1919 T and trailer would be \$9,000.00. Call 208-816-6662 and ask for Kent. (George's son-in-law).

For Sale: Beautiful 1917 Touring - has been kept in a barn in Hagerman, Idaho. Frame off restoration 8 years ago, was in good running order when parked 3 yrs ago. Asking \$13,000. Owner is 88 and has decided to sell off some of his treasures. Call Mark 208-941-4690.

For Sale: 1930 Deluxe Delivery Model A Ford, \$29,000. Could deliver. Thanks, Mike Cuffe 1-406-293-1247

For Sale: Tudor - all in pieces, disassembled. The drive train has been restored frame, steering link, engine, transmission, differential, by a retired mechanic that has since passed away. There is a new roof complete with wood ribs and cover that comes with it. All body work needs doing some parts can be restored others replaced. The car is restorable to original. I have done some work on it but my interests are in aviation. I will be honest and tell you I paid \$2700.00 for it and would like the same out it. Coaldale, AB 1-403-345-4834 email donrob1@shaw.ca

Annual Soup Party Information

The Annual Christmas Soup Party at The Hutchinsons' House will be on Saturday, December 20th this year. We will plan to start at 3 p.m. As always, you do not need to bring anything—this is not a pot luck—just come and enjoy the food and friendly company.

Model T's, decorated with Christmas lights or not, are most welcome, but optional. We don't yet have plans for something to do when we can't eat any more.

Perhaps we will have something planned by the December meeting. If you need directions, or have any other questions, just give us a call at 448-2819.

All Snug for WINTER DRIVING

—in five minutes

A winter TOP over the TOP
of your regular FORD TOP

Here's a Winter Top for Fords that does away with enormous freight charges, heavy crating, hauling, handling and unloading charges. (Come down the cost of attaching. You pay no storage during summer months. The "OVER-THE-TOP" Auto Top does not rattle, vibrate or creak at every stone on the road. No necessity for making changes such as removing regular top, wind shield, changes in body trim, door hinges etc.

Take it out of the carton, slip it on your Ford in a few minutes time and you are all snug and ship shape for winter driving. It slips on like a perfect fitting glove, and also has that sleek, form fitting appearance. No protruding parts—no marks of attachment.

The Over-the-Top is made of a high grade heavy silk mohair—luxe, sleek and back are all in one piece. You can equip this top with either celluloid lights (that look like cotton mohair), or glass lights which fit into most wind frames securely fastened in silk mohair.

Here is a real winter endeavor. Nothing like it on the market. Nothing as satisfactory, as perfect, as logical, as practical. The "OVER-THE-TOP" Auto Top gives everything that could be asked for—a handsome, durable and weather proof top.

Over the Tops are easy to apply—cold wind defying—glove fitting—non-rattling—handsome in appearance.

CHRISTMAS "T" LIGHTS

EQUIPMENT NEEDED: A 30 light set of the 110 volt miniature (3/4") bulbs on a loop cord, about 30 ft. of two color bell wire or plastic coated lamp cord, two alligator clips, electric tape, and wire strippers help.

PROCEDURE: Splice light wires in parallel on the main line. Staggering the attachment points helps eliminate any possible short. The number of lights possible is dictated by the capacity of the main line used. 12 volts merely gives a brighter light than 6 volts. Flasher lights will also work.

Information Supplied by Howard Jerrich

*- YOU MAY NEED 2 OR 3 BULBS ON EACH CROSS SECTION DEPENDING ON LIGHT BULB VOLTAGE.
