New President's Message

Well the Banquet has come and gone. I would like to send special thanks to the Pattersons and Warrens for putting on this annual event. Special thanks to Norm for the interesting game before dinner. I would also like to thank Glen for bringing all the Picture portraits from past years.

One tour to hopefully look forward to as a must is when the club makes a tour out to the Fire Museum. The lady was a guest speaker at the banquet and it sounds pretty interesting.

If you would like to put on a tour please call Joe. If you have any ideas for a tour lets talk.

Until next month.
Your Prez
Steve Heid

Hello Fenderchatter -

The New Year's Day Tour started at the Trent and Ar-gonne Albertson's parking lot, as usual, with the usual tire kicking and storytelling. Some were more tired others from staying up too late on New Year's Eve. We headed over to Old Country Buffet, via the most direct route, and had a hearty bunch. The weather was on and off rain, snow, and shine. By the time we were done eating and chatting to head out on the after-tour, the weather was rainy, but with closed cars and tops, we managed. For the tour, we headed to Pines Cemetery to visit Ed Jepperson's grave. We headed from there to Vern Storey's house. Then we stopped by Ed Jepperson's home and called it a day. Gene led the tour, remembering the people who have meant so much to our club. Thanks for the tour Gene!!

P.S. Eight Model T's and eight modern rigs attended.

MODEL T CLUB MINUTES

January 9th, 2010

CALL TO ORDER

Meeting was called to order at 8:30 p.m. By President, Norm Warren. Just a short meeting with a couple of items to discuss after our dinner.

The Model T Club is being asked to sponsor the Northwest Vintage Speedster Club's spring run - "Fun-n-Sun" May 29th and 30th 2010. This will not cost our club anything but will help cover insurance. Motion to sponsor the event. Motion seconded and passed.

Next, Father's Day activities. Father's Day was suggested and promoted by a Spokane woman, Sonora Smart Dodd, in 1909. The first official Father's Day celebration in Spokane was June 1910. The Spokane Regional Convention & Visitor Bureau is working with area art groups, the Downtown Association, merchants, art galleries, museums, etc., to organize events honoring Sonora, her father, and Father's Day. They would like the Model T Club to participate by donating our time and cars for a display at Riverfront Park from noon to 4:00 June 20th 2010.

A photographer will be available to take photos of Dad in a Model T. We need five or more members to commit. Show of hands. OK, we have plenty of interest.

Jim Patterson introduced the evening's guest speaker, Carolyn Green, from Fire Memories Museum in Cheney, WA. Carolyn discussed the history and development of firefighting equipment.

President Norm Warren had all the members wearing Model T era clothing to stand and be recognized.

President Norm Warren thanked his board members and presented them with gifts. He also thanked all the members that helped out with the many projects and tasks in the past year.

President Norm Warren presented the President's Award Plaque to Jim Patterson, the Model T Club's "go to guy." He also noted that Jim's name is the first on the plaque and will be the last name on the plaque.

Glen Whiteley, our club photographer, presented Norm with a large frame photo of his Model T and club members all received 2010 calendar featuring Larry and Norma Skidmore's 1928 T Touring.

Norm turned the gavel over to the new president, Steve Heid.

Steve introduced his new board.

Vice President - Bill Mullins
Treasurer - Corina Hathaway
Secretary - Ed Hope

Meeting adjourned.

Respectfully submitted,
Secretary Ed Hope

UPDATES ON HAZEL

New Years' Eve - Hazel Whiteley recently suffered a severe heart attack and has undergone surgery with three stints and a pacemaker. JAN 8, 2010 - Glen called and said Hazel got out of the hospital on Wednesday and is now at a re-habilitation center and is doing quite well. Our prayers and thoughts are with Hazel and Glen during this difficult time. Submitted by Jim & Betty Patterson

SUNDAY - 1/10/10 -Suzie and I saw Hazel today! We laughed with her, stayed about an hour with her. She's bored and wants to go home soon. She's weak, but we hope she will get stronger soon. We will see her again some time this week. By Alan & Suzie Stacy

WEDNESDAY, 1/13/10 I went to see Hazel yesterday and yes, she is very stubborn! She was very glad I came and we had a nice visit. Her color was good yesterday and she looked really good I went to Rosauers and got her bottled water. She thought that might be better. She eats a little bit and she said it looks like she did not eat anything. She is still asking for the key to get out, laughingly.....

You are welcome to send Get-Well cards if you want. Glen & Hazel's address is 110 W. 36th Ave., Spokane, WA 99203-1623
