## *Driving School Was A Hit*

Another Driving School was a complete success with 14 T's and club member to give instructions or just rides. Mark, Janice and Dave took picture for those that wanted to show what T they drove or rode in, they turned out very good. Some people just wanted picture of themselves with their cars. Over 75 cars showed up from all the different car clubs. For some people this was the first time that they have been to the driving school. Mark Hutchinson thought that it was surprising to see one of the students that he taught not so long ago doing the teaching. Just goes to show just how good of a teacher he was to that student. There were a lot of questions to answer on what the club does with the T's in the winter as most club put their cars in the garage for the winter, so they were very surprised to know that we tour year round. There was also a T there that was giving rides that does not yet belong to the T Club. Jack and Susie Kline brought the red T touring and Jack gave a lot of rides. They have about 18 collector cars. But all in all there was a lot of fun to be had.

Harvest House had the corn maze and were selling some very good cider and the yard sale there a the other end of the field did a great job, too. The firefighter were there to serve up the food if you did not have time to eat before or need to refuel. If you did not make this year's event, you will have to put it on your calendar for next year.

**Meeting Place** — The meeting for November will be held at the Opportunity Presbyterian Church at 202 North Pines. Meeting starts at 7:30pm on the first Friday in November. See you there.

**2007 Dues Are Due:** It's that time of year again. Your 2007 Spokane Model T Club dues are now due and must be paid by Jan. 31, 2007 to be included in the 2007 club roster. Please fill out the roster update form in entirety and turn it in only when you pay dues. Several members last year didn't get their new email addresses or phone numbers (cell and home) included in the new roster because they didn't fill the form out in entirety. If you are a "LIFE" member (spouse of a deceased member or over 80-year's of age) than your dues are free. If you're a "LIFE" member but no longer wish to receive the monthly **FENDER CHATTER**, please let us know so we can remove you from the mailing list. Several members have indicated that they prefer to get the newsletter from the club's web-site at [www.spokanemodeltclub.com](http://www.spokanemodeltclub.com) and save the club the printing and postage costs. In doing so, they usually are able to get the newsletter a couple of days earlier than the mailed version. Please indicate on the roster form if you want the email or the mailed paper version of the newsletter

## President's Monthly Chatter:

### President's

### Message

Nov 2006

Wow, time flies by. The year is nearly over, the fall colors are dazzling, the days are cooler and the weather people are now reporting on snow levels in the mountains. And, to top it off elections are just around the corner. On the national and local level the politicking, mud slinging and sometimes downright nasty language is hurled about. However, it is each person's responsibility not take any of it at face value but to sort out the wheat from the chaff and make responsible choices. Most voters in Eastern Washington must use mail in ballots so get yours in the mail by the November 7 deadline. Just as important to our club are our elections for 2007 officers. I urge you to attend out next meeting on Friday, November 3 to vote in person. If you cannot attend please mail in the enclosed ballot so that we have it by meeting time. This years banquet is shaping up to be a great one so be sure and get your tickets from Jim Patterson.

Happy touring.

Lee

## Meet Jack and Susie Kline

Jack and Susie Kline brought out their "T" to join us at the Driving School on October 01, 2006. Jack and Susie are car enthusiasts. They have eighteen classic car that they do show and drive. Alan and I met them sixteen year ago when we moved back to Spokane. Through the years they have been collecting not only the old classics but have also purchased the new 2006 Ford GT. A couple of years ago Jack thought that he just might be the one to own my pickup, but I beat him to it, so Jack had to start looking for another T as he had his heart set on one. Alan and him got together on this one and he bought it. Last year he was at the driving school so that he could get some pointer on the driving and care of this beautiful touring. He and Susie are hoping to get the time so they can join us on some tours and may think of join our club.
