A Message from our Club's President:

After a long, dry summer with many great tours and events, October is roaring in with wind, rain, fall colors and lots of leaves on the ground. It is also time to start those winter projects: fix those brakes, improve the idle, repair the top and generally make your T ready for next year.

You don't want to miss our November meeting because we are voting for our next years officers. Also, banquet tickets will be available during our November meeting.

The holidays are just around the corner. For some, it is a difficult time of the year. Maybe the club could come up with something that would make it nicer for a few people. — Lee

Minutes from the Last Club Meeting

October 7, 2016

President Lee Burgess called the meeting to order at 7:32 PM.

➤ **Welcoming Committee:** Welcome to new member Dave Butcher from Worley, ID. Dave has a '27 roadster and a '25 TT truck.

➤ **Secretary's report:** A motion was made to approve the minutes from the June meeting as printed in the Fender Chatter. The motion was seconded and passed. (Minutes from the September meeting did not need to be approved as that was an unofficial meeting.)

➤ **Treasurer's report:** Treasurer Betty Patterson reported that club finances were good. We are \$19.80 in the hole for club t-shirts so far. A motion was made and seconded to approve the treasurer's report. The motion was passed.

➤ **Charity Committee:** Betty said that we only have about \$1,500 in the charity account and recommended that we not make any awards this year.

➤ **Vice President's report:** Jim Patterson had nothing to report.

➤ **Website report:** Webmaster Mike Robison said that he hadn't added anything to the website recently, but expected a "mad flurry of updates" to come soon.

➤ **Sunshine report:** Susie Carnegie will send a card to Hal Moffit, who has cancer.

➤ **Safety report:** Mike Robison had nothing to report.

➤ **Tours report:** Nan Robison couldn't attend the meeting, but Mike Robison spoke for her. Mike reported on the Can-Am tour and also said that Ed Hope planned to lead a tour to the Inland Northwest Rail Museum in Reardan on October 23. The tour will start from Antique Auto Ranch at noon. Gene Kicha reported on a speedster run that he participated in. The tour started from Chehalis and Gene finished 9th. The Labor Day speedster run will be in Spokane next year.

➤ **Fender Chatter report:** Nothing to report.

➤ **Photos:** Jillian Robison had nothing new to report. Lee Burgess said that the many color photos look especially good in the newsletter. Be sure to send photos of club events to newsletter editor Jeff Hipp.

➤ **Library report:** Gene Kicha said that no one had used any of the library resources during the last few months.

➤ **Old business:** None.

➤ **New business:** Steve Heid reported on the banquet, which will be on January 21 at the airport Ramada Inn. Other dates were already filled, so this date was the best that he could do. Cocktails start at 6:00, with dinner at 7:00. The cost is \$35 per person, which is a slight increase from the last banquet. The menu will feature roast beef, chicken, etc., as in the past. Mike Robison will bring his sound box and we will also have some videos for entertainment. President Lee Burgess asked for one or more volunteers who could create name tags for members.

➤ **Officer nominations:** The following people were nominated:

- **President: Mark Hutchinson**
- **Vice President: Jim Patterson**
- **Treasurer: Betty Patterson**
- **Secretary: Larry Mann**

We will have the election at the November meeting.

➤ **New car projects/entertainment:** Gene Kicha described a visit to a large car museum in Wisconsin. Tom, Mark, and Mike have been helping Jim with repairs to his 1914 Touring. Mike is working on a speedster, Steve Heid is working on a door, and Tom plans to start working soon on his Gow job.

➤ **Raffle:** Bill Mullen won the 50/50 cash drawing and Bill Barr and Cheri Storey won club t-shirts.

President Lee Burgess adjourned the meeting at 8:18 PM.

I took this photo on one of our trips to the Smithsonian in Washington, DC back in December 2010. There was a display of American transportation and this contraption was showing an old idea for working on a Model T. - Jeff Hipp
