A Message from our Club's President:

Man, time flies, busy month in September. I hope everyone enjoyed the Fair, looked like an excellent turn out. Thanks to everyone who showed up! I have heard quite a lot of positive feedback from different people who saw the cars. I enjoyed the Tour to the Prairie Grange: good music (thanks Tom), good food (thanks everyone), and a chance to ride/drive a steam engine (it is more difficult than a T). It was a nice day! My car did not run well coming home, maybe it was jealous? Well, October is the time to nominate club officers for next year. Good luck everyone! — Hutch

T Club at the Spokane Fair

A Fun Time For All...

This year, the Spokane Interstate Fair has embarked on a new annual event for the Spokane area car clubs. The fair typically runs for 10 days each year, including two weekends. Car clubs were invited to attend the fair for a one day showing at the fair, displaying their cars in an entertaining and educational setting. The fair committee selects a common theme and each club presentation will be in competition for the best car display. *(Unfortunately, the Fair cancelled the idea at the very last-minute.)*

This year's theme was **"ROUTE 66"**, commemorating the 66th anniversary of the Spokane Interstate Fair, and our Model T Club was asked to be the opening day car club. The T Club's participating cars were on display from 9:30 AM till 8:00 PM and with most of the participating car owners dressed in period costumes and mulling around to answer fair go-er's questions. We had 22 cars on display in chronological order to show the transformation of the Ford Automobile from Carl and Patty Walden's 1904 Model "C", and Rick & Carla Carnegie's 1907 Model "N", and 20

Model T's from 1910 through 1927. To support the "Route 66" theme, several members researched the 20's through mid-60's era by creating about a dozen "Berma-Shave" advertising slogans positioned in individual planter pots amongst the 22 cars. As can be seen in the photos of our display, we were quite a hit. It was obvious that *non-gray-haired* people were not familiar with Berma-Shave, so we did our best to educate them. The fair committee even asked our club to come back for Saturday's showing, with only 8 cars for the second day showing. We still received hundreds of compliments on our display.

The T Club wants to thank all participants for displaying their cars, being in period costumes, passing on to younger generations all the Model T folk-lore, and helping with the set-up and tear-down of our fantastic display.

A special thanks go to Jeff Hipp for his help with all the signage and to Matt Hanson, Darrell Skomer, and many others for helping with the planning and set-up / tear-down of the Burma-Shave signs. It was a lot of fun and hopefully our club will participate again next year. — *Jim Patterson*
